

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2606

This kid Kian webbb is indeed smart, otherwise it would not be possible to practice the brainwashing methods for the little girl. It is a pity that his cleverness finally made him take a detour and was turned into a shit-swallowing beast by Charlie. The

two ancestors and grandsons walked around the campus-after a lap, Mike asked: "Grandpa, do you think that the master of psychological hints to Donald Webbb's son is in this school?"

Mai shakes He shook his head and said, "I'm not sure about this, but I think Donald Webbb's son was in this school at the time. Whether that person is in this school or not, the clues should be sorted out from here. "After

that, Mai said: "Mike, you are young. During the break, ask some students to inquire about Kian webbb, especially who he has been in contact with before the accident. You must get it first. Clear!

"Good grandpa!

At this moment, a BMW 530 is slowly passing by the grandfather and grandson.

Sitting in the cab is Charlie.

He has already asked Doris Young to make an appointment with Hank in advance. so they drove directly into the school, I heard that with the appointment of Professor he, the security not only failed to stop, the route also enthusiastic told Charlie.

At this time, Chen leaves just drove through University of Finance and Economics artificial lake.

this It was also the second time that Charlie came to Aurous Hill University of Finance and Economics. The

last time he came, he came to Aurora's request to persuade her female classmate who wanted to commit suicide. It

was also the same time that he knew that there were actually women on the university campus. The trash of children brainwashing, making girls self-harm, and suicide.

So he gave Kian webbb a little psychological hint, which made Kian webbb's life gloomy.

Charlie was feeling emotional, and his eyes were caught by an old man walking on the side of the road. The

young man was attracted by him . The young man was not too old and looked like he was in his early twenties, but the old man beside him had white hair and looked at least eighty or ninety years old.

Charlie felt that although the old man was very old, he seemed to be relatively strong physically and mentally, and his walking gait was smooth and steady, and even somewhat relaxed.

And the young man around him seemed to be helping, but in fact he just made a look, the old man didn't need anyone to help him.

What makes Charlie feel a little strange is that he feels a familiar aura in this old man. This feeling is very similar to the Orion Exeor he had seen on Yeling Mountain.

But Charlie didn't think much, so he drove past the two of them.

What he cares more about now is the meeting with Hank later.

This is the first time Charlie has come out to meet people as the chairman of Emgrand Group.

Even when meeting Doris Young for the first time, he used the identity of Wade Family Master, not the chairman of the Emgrand Group.

Therefore, he was more or less worried.

If Hank can be persuaded to cooperate with him, then everything is fine, but if he cannot be convinced, then his identity as the chairman of the Emgrand Group will be exposed?

Hank is not his own, then he is An uncontrollable factor, once a secret is mastered by an uncontrollable person, the possibility of spreading out will increase geometrically.

Charlie didn't know whether Hank would tell Matilda and Matilda would tell his old man.

However, at the moment this project is of great importance, so he can only go all out to chat with Hank, and strive to take this awesome man!
