

# The Amazing Son in Law Chapter (Charlie Wade)

## CHAPTER 2609

Seeing Hank's expression of excitement, Charlie hurriedly explained: "Sorry, Professor Hank, I did not graduate from Stanford.

Hank asked puzzledly: "Then how do you know that the red cedar tree I painted is in the emblem of Stanford University. That picture? If you don't have a deep understanding of Stanford, you shouldn't remember the design in the school badge so clearly, right?"

Charlie didn't hide it, and said seriously: "My mother did go to Stanford when I was a child. I was fortunate to have visited Stanford with her.

"So that's it!" Hank nodded slightly: "I think you are only twenty-seven or eighteen this year. Your mother should be about the same age as me?"

Charlie nodded when I was born.

My mother is twenty-six years old, and I want to come to fifty-four this year." Hank pondered for a moment, and said: "Fifty-four years old, that is, one year younger than me, it is likely to be in the same class as me, or just before and after me. Don't take the liberty to ask, what's your mother's name? Maybe we still know each other!

Charlie hesitated for a moment, inevitably a little sad and said: "My mother has passed away for many years, so he still doesn't mention her name. As

soon as Charlie's voice fell, Hank was stunned!

He looked at Charlie, his voice was a little trembling, and he asked, "Charlie, your surname, is your mother's surname?!"

Charlie couldn't help but startled. Exclaimed: The professor knows my mother?!"

Hank was excited suddenly, and said, "Are you really Her child?!"

At first hearing the word "Mom,s name", Charlie's eyes were filled with tears.

Ava is his mother's name.

This name has been missed in his heart for many years, but Charlie has almost heard someone mention it for the first time in so many years.

His mother's name is Ava, she is safe and happy

The two words Ava in the name are taken from a sentence in "Historical Records. The Biography of General Li": "Peaches

and plums do not speak, but the next is a qi. The literal meaning is that the peach tree and the plum tree do not speak, but because They will bloom beautiful flowers and bear sweet fruits, so people will spontaneously walk in front of them and step on a path under them.

The true meaning is to metaphor a person who is sincere and self-disciplined and possesses Perfect character, so it will naturally move others, attract others, and be loved and admired by people.

Because Charlie's mother is his grandfather's eldest daughter and the most beloved one, and the father has high hopes for her, so Ava was given to her, such a name with a deep meaning.

Hank-Seeing Charlie's eyes with tears, he immediately confirmed his guess, he walked forward, grasped Charlie's hand, and said with red eyes "Charlie, the two of us met more than 20 years ago! At that time you were very young, and your mother took you to Stanford and Silicon Valley. My wife and I were always accompanied at the time, but there were also Many people, you may not have any impression of me.

As he said, he suddenly thought of something and excitedly said: "My lover still hugged you at the time! Do you still have an impression?"

Charlie shook his head, and said a little apologetically: "I'm sorry, Professor Hank, it's been too long. No impression anymore."

Then, he asked:" Professor Hank, your mother and I are classmates '?

' Is Hank nodded, laments:! "Our students several years, our relationship is also very good, then I pursue my When I was loving, it was your mother's love letter for me. "

Charlie asked curiously: "Professor Hank, can you tell me about my mother? I don't know anything about her experience before marrying my father. "
