

The Amazing Son in Law Chapter (Charlie Wade)

Chapter 2620

Mr. Hank laughed and said: "Hahaha, it shouldn't be so troublesome, uncle believes in your ability. If you praise her some as well, she should be tempted."

Mr. Hank said sadly: "In fact, my main concern is that she hasn't grown enough yet. If she really wants to stay in a chaotic place like Syria for half a year, no one will persuade her otherwise. Hey, you don't understand this girl, when she gets stubborn, even the nine cows can't restrain her!"

Charlie Wade nodded and said seriously: "I'll try to persuade her, and strive to bring her back soon."

"Okay." Mr. Hank said hurriedly "Why don't you add her as a friend right now and have a chat with her first."

Charlie Wade smiled and said, "Uncle Hank, don't forget, there is a time difference between Syria and us. If I remember correctly, they should be five or six hours behind us, it shouldn't even be dawn yet."

Mr. Hank hurriedly said: "It doesn't matter, it doesn't matter if it's not dawn, you add her as a friend first, when she accepts you, you can chat her then."

Charlie Wade nodded: "Okay, then I'll add her now. However, if I add her directly, it will show you recommended her. Let me copy her WeChat ID..."

He touched on the business card, copied the WeChat ID, and added it as a new contact request. He wrote in the reason field: Chairman of Aurous Hill Emgrand Group.

Only a minute after the friend request was sent, Charlie Wade received a notification that she'd accepted the request

He was a little surprised and said: "Uncle Hank, your daughter is awake."

Mr. Hank said angrily : "I guess she can't sleep. If you threw me into that broken place, I probably couldn't sleep either.

After speaking, he hurriedly urged: "Charlie Wade, you can talk to her and find out how she is now."

"Okay." After Charlie Wade finished speaking, he sent a message to Ziva:

[Hello Miss Hank, I am Charlie Wade Wade, Chairman of Aurous Hill Emgrand Group. I want to talk to you about cooperation. I wonder if you are interested?]

The other party quickly replied by voice: "Did my dad ask you to find me? You tell him to stop wasting his time, I'm not going to Aurous Hill!"

Mr. Hank heard his daughter's words, feeling depressed he said "Charlie Wade, tell her you don't know me. If you do, she'll be all the more resistant to coming."

Charlie Wade nodded, and continued to reply in text:

[Miss Hank, you misunderstand. I don't know Mr. Hank, I recently found your papers in a few financial journals. I feel that you are really good with international finance and economic management. It just so happens that I am planning to expand a new project to do ocean shipping, I just lack a strong management, so I immediately thought of you."

Ziva responded with a voice message:

[If you weren't sent by him, how did you get my WeChat info?]

Mr. Hank was dumbfounded. While he couldn't reason out an explanation for Charlie Wade getting her info, Charlie Wade had a clever mind:

[Miss Hank, I found you through an international headhunting company. In order to get your contact information, I paid a headhunting fee of \$50,000. Ordinarily the headhunter would contact you first, but I think it's more direct and efficient to contact you personally for such a major cooperation.]

The search firm specializes in mining companies for high-end talent, they are like a real estate agent with a variety of housing sources. In theory, just give them money, and there's no kind of info they can't find.

Mr. Hank immediately gave Charlie Wade an excited thumbs up, the explanation seemed airtight.

Ziva no longer doubted him. She replied:

[I understand, but I'm really sorry. I'm currently in Syria, and may be here for the next 6 months at least. I can't cooperate with you, I'm really sorry!]
