

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2637

On the way to Shangri-La in a taxi, Charlie was still worried about Ziva Hank.

In order to prevent Ziva Hank from having no time to rush over after the accident, Charlie even wanted to set off now, but the situation in Syria was so special that he didn't know what way to go there.

When he thought that Isaac Cameron had strong resources in all aspects, Charlie was ready to find him to come up with ideas.

It just so happened that I had to discuss with him how to deal with the Banks Family next.

After Charlie arrived at Shangri-La, he went directly to Isaac Cameron's office.

At this time, in the Shangri-La Hotel, Zayne was still waiting for the opportunity to establish contact with Ito.

However, because he sneaked into Shangri-La quietly, so far he has stayed in the room and dare not show his head.

His wife Deana, eldest daughter Zara, and illegitimate daughter Xion also live in this hotel.

It's just that none of these three parties knows, the other two are by their side.

Charlie came all the way to Isaac Cameron's office. As soon as they met, Isaac Cameron hurriedly reported to him: "Master, you let me send someone to monitor the two grandparents, my people have begun to watch them secretly. I'll tell you at once."

Charlie nodded, and said with a dignified tone: "These two people are sent by the Banks Family, and I think they are likely to look for clues to me, so you must keep an eye on them. In addition, I also keep an eye on those who have come to Aurous Hill recently." When

Isaac Cameron heard this, he immediately said with outrage: "Master, these two people dare to be against you. Let me say, let's do it first and kill them. That's it!"

Charlie waved his hand and said faintly: "The ancestors and grandchildren should be Feng Shui masters, and they are still a bit of integrity. First save their lives and see what they plan to do next.

Isaac Cameron hurriedly said, "Okay, Master, I see."

Charlie nodded and asked him: "By the way,

Old Chen, do you know anything about the situation in Syria? "Syria?!" Isaac Cameron said embarrassingly, "Master, why do you suddenly care about this place where birds do not shit?"

Charlie chuckled, and said: "I'll go where the birds don't poop."

"What?" Isaac Cameron exclaimed and blurted out: "Master, are you kidding me, are you going to Syria?"

Charlie nodded. : “Yes, and maybe the sooner the better. “Fastest update

” “This” Isaac Cameron thought for a while, blurted out: “The place is now under war, and the civil aviation system is not navigable. What do you want to do? If it doesn’t matter, I still advise you not to go!”

Charlie helplessly said: “There are some sudden emergencies, I have to go, and time is short, please help me to find out if there is a more reliable route that can let me go all the way in the fastest time. Enter Damascus, the capital of Syria.

Upon hearing this, Isaac Cameron stopped persuading Charlie, but immediately took out his mobile phone and made several calls.
