## CHAPTER 2640

Lord Wade asked happily: Charlie, why did you think of calling grandpa today?

Charlie went straight to the point and said, "I have something to ask you for help."

Lord Wade said without hesitation: "Oh, What is there to be polite with you and Grandpa? Just talk about it. As long as Grandpa can do it, it's absolutely unambiguous!"

Charlie said: "I have an urgent matter . I have to go to Lebanon immediately. I heard that you have a Concord The passenger plane, I want to borrow it for use.

"Thanks to Concord?" Lord Wade hesitated for a moment. After a while, he smiled and said, "Cherlie, in fact, if you want to borrow a private jet, grandpa has a very, very luxurious Boeing business jet. , It cost hundreds of millions of dollars for the internal renovation alone. It is not an exaggeration to say that it is a palace in the sky, or should I lend you that plane?"

Charlie said firmly, "No, I only borrow Concord.

Lord Wade sighed and said, "Oh, that airplane is really too old. It was manufactured in 1985. To be honest, it's a lot older than you. You know, the older the airplane, the less it will be. It's safe."

Charlie asked him back: "In the end If you can borrow it, you can give me a pleasant message. If you can't, then I won't be too difficult.

Charlie said coldly: "However, I might have to reconsider the ancestor worship ceremony. . I feel that since even borrowing a plane is so troublesome for such a small thing, I won't trouble the Wade Family anymore. "

When Lord Wade heard this, he gritted his teeth without hesitation: "Oh, Charlie, don't be impulsive! Isn't it just borrowing a plane? Grandpa lends it to you! I will ask the crew to prepare and fly directly to Aurous Hill! I have two The crew has been on standby at the airport in two shifts, ready to take off at any time! Are you satisfied now? Lord Wade said hurriedly : "That's good, that's good!

After speaking, he asked again: "Charlie, what do you need to go to Lebanon? Don't need Grandpa's help?"

Charlie thought of the question he had just chatted with Isaac Cameron, and asked: "I wonder if you can help me clear the relationship so that I can leave Lebanon and go to Syria smoothly?"

"Are you going to Syria?" Lord Wade was surprised. Asked: "There is a war over there, what are you going to do?"

Charlie said calmly: "I have some personal affairs that I need to go over."

"Well, I'll clear it up for you, and promise to help you get this thing done before you arrive in Lebanon."
