

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2648

After Charlie's plane landed, he taxied directly to a huge hangar. At this time, there was also a transport plane with four propeller engines parked in the hangar. A group of crew members were surrounding the plane to do a detailed inspection. "After the plane stopped, the ladder docked, the crew opened the door, and Charlie and Isaac Cameron walked out of the cabin together.

At this time, under the ladder, a middle-aged man with a Chinese face was standing respectfully, waiting for Charlie and Isaac Cameron. As he walked down, he hurriedly stepped forward and bowed respectfully and said: "Hello Master, welcome to Beirut. "

Charlie looked at the other party and found that this man was about the same age as Isaac Cameron, in his thirties, and his Mandarin was very standard, and he did not seem to be an overseas Chinese living overseas for a long time.

So he asked, "You are the Wade family." People?" The

other party hurriedly said: "Going back to Master, I am the spokesperson of the Wade family in the Middle East. My name is Anthony. The master specially asked me to fly over from Saudi Arabia to help you dredge your relationship and provide you with everything I can provide. help. "

Charlie nodded slightly and asked him: How's the situation on Leah's side?"

Anthony explained: "The Syrian opposition is in a stalemate with the U.S. Embassy, but the U.S. Embassy has a very firm attitude this time. It means compromise, so I guess that they will lose patience soon."

Charlie asked again: "Is the US embassy totally unprepared to intervene in this matter, or is there other plans

behind it ? Anthony said helplessly:" At present, it seems that they are totally unprepared to intervene, mainly because they did not get any benefits in Syria in the past few years, and now they do not want to be implicated again after the withdrawal. "

On the other hand, it's also because these kidnapped young Americans do not have the children of American politicians or rich people, and they have no background. The United States is thinking of trivial matters, so they have begun to suppress news in their homeland. The major European media are ordered not to carry out follow-up reports.

"In this way, even if the reactionaries really kill these eight people, American citizens will not hear anything.

After speaking, Anthony said with emotion: "Moreover, the situation in Syria is now particularly chaotic. Not only is the government and the opposition fighting, but also Kurdish forces are involved.

"The camp behind this is even more complicated, the United States and Russia. Iran, Iran, and Turkey are all contributing to the flames behind the scenes, which has led to various armed conflicts in Syria all day long, and any war on both sides is a red-eye state, leaving no room for it. The US embassy has long warned American citizens. Don't come to Syria if it's okay. These eight young people knowingly committed the crime. If something really happened, the United States wouldn't save them. "

Charlie dignified nodded, and asked him:" parachuting coach arrived yet?

Anthony open road "to.": "Coach commissioning umbrella package and equipment on the plane, I took you to see him, for the young master, Our plane will take off in ten minutes!
