

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2657 / 1

When the two opposition soldiers were talking just now, they were completely defenseless deep down.

After all, this is their base area. Not only are they heavily guarded all around, even the people here are their supporters.

Therefore, in their subconsciousness, as long as the outside is not fighting, the inside is absolutely safe.

But just in this "absolutely safe" environment, a person of unknown origin suddenly appeared!

This moment made the two of them extremely nervous.

Because they are not responsible for guarding, neither of their guns are insured, which means that if they want to use the gun to deal with the enemy behind them, they must load the gun and open the insurance so that they can pull the trigger.

However, this process takes a few seconds at the fastest.

And the hand of the other person pinching the neck of the two people is surprisingly strong, it is like a hydraulic clamp at the same time, so that both of them are firmly convinced that if the other party has any dissatisfaction, it is very likely to directly pinch their necks. !

So, both of them cooperated very well and threw their guns on the ground, and then raised their hands.

One of them said nervously: "This friend, if you have something to say, don't be impulsive!"

Charlie said coldly: "You two turn around."

After Charlie finished speaking, the strength of the two people's necks in his hand was slightly loosened.

The two dared not delay, and quickly turned around. When they saw Charlie, they seemed to have seen a ghost.

They originally thought that the evil star that appeared suddenly must be an American.

There are two reasons for thinking so.

The first reason is that they captured eight young people from the United States in their battle against the government this time, and they took these eight people as hostages and demanded a huge ransom from the United States, so the United States sent people to rescue them. It makes sense.

CHAPTER 2657 / 2

The second reason is because they also know that the individual combat effectiveness of the government army is really not bad compared to them. If it is a government soldier, it is impossible to sneak into them silently, only in the United States. Schwarzenegger and Stallone have this ability.

However, what made them dream of was that the evil star in front of him turned out to be a yellow man with an East Asian face.

One of them nervously asked, "Who are you, this friend? What do you want to do?!"

Charlie said coldly, "You are not qualified to ask me questions. In the current situation, I can only ask, you Answer, and answer honestly. Whoever does not answer well, I will kill him, understand? The

two hurriedly nodded: "Understand! If you have any questions, please ask

Charlie: "Where are the young Americans you caught now?"

One of them said hurriedly: "The eight people are imprisoned in the cellar of Ansala's house!

Another quickly added: "An q1 's house is right there. In the middle of the village, close to the square!"

Charlie asked again: "How are the eight of them now? Are all alive?"

One nodded and blurted out: "They are all alive now, but they will choose first soon. One person was executed, and the U.S. Embassy was unwilling to pay up to now. Our commander decided to execute one person first to put a little pressure on the U.S. Embassy.

Charlie continued to ask: "How many entrances and exits are there in the cellar, and how many guards are there?"

The man said "There is only one entrance to the cellar. There are four guards inside, and there are about a dozen guards outside. These guards usually live in Ansala's house."

Charlie asked him, "Then if I want to go in, what can you do? Bring me in?"
