Charlie and Musa followed the man into the cellar, only to discover that the cellar was dug very deep, and the stairs alone were at least five or six meters deep, almost the height of two stories.

Because the winter in Syria is the rainy season and there is a lot of rain, the stairs are dark and wet, and the soil on both sides even reveals a strong smell of soil.

When all the way down, the person leading the way in front said with a flat face: "Captain Musa, can I ask you something?"

Musa asked coldly, "What's the matter?"

The man said in a hurry: " Captain Musa, I would like to apply to join your armored team. I can control heavy machine guns!

Musa sneered and asked him: "I think you want to join the armored team because you are afraid of death, right?"

"No." Then. The person hurriedly said: "I just thought of the armored brigade training,

Musa smiled, and said: "I will think about it and let you know when the time comes. "

The man said excitedly: "Thank you Captain Musa! With

that, he has already stepped down to the bottom of the cellar.

There is an iron door at the bottom of the cellar, and a small window is open on the iron door, you can see the light inside.

At this time, the man who led the way patted the iron door hard, and said: "Open the door, Captain Musa is here!

Someone inside immediately opened the latch, and a curly-haired man poked his head out and called Musa. He waved his hand, and smiled: "Captain Musa, why are you here?"

Musa said coldly: "The commander asked me to come over and have a look, and also communicate with the hostages.

The man hurriedly stepped aside and said with a smile: "Captain Musa, please come in!"

Musa said to the person who led the way just now: "You go back, I remembered what I just said, and if there is a result, I will tell you as soon as possible. "

Thank you very much, Captain Musa, you are busy first, I will go up! I will save you some roast leg of lamb

later , wait for you to come up to eat! The man turned and left, Musa recruited Charlie Beckoning, the two entered the cellar one after another.

Charlie originally thought the cellar was a small space, but he didn't expect that there was a cave inside.

There are two rooms in the cellar. The outer room is about 20 square meters. There are four soldiers guarding.

Inside there is a wall and a big iron door without windows. Charlie can perceive that there are eight people inside. , It must be Ziva Hank and her friends.

At this moment, Musa let someone close the door to come in, and then looked at Charlie, wondering what he would order next.

The four guard soldiers were not very alert, standing aside with their guns hanging around. One of them was still wearing headphones and seemed to be listening to a song.

At this moment, the soldier who had opened the door approached Musa and asked in a low voice,

"Captain Musa, when is the commander going to do it? Let me say, it's better to kill these Yankees. Forget it, it's useless to keep a bit of it. We have to let a few of our brothers stay here. It's

damp and smelly. After a long time, the skin is itchy and uncomfortable!

Musa said lightly: "The commander of their affairs is natural. If you have his plan, you can honestly execute the commander's orders, don't say anything, don't ask!

"Okay." The man sighed helplessly, and said, "It's not possible, Captain Musa will help us.

Speaking of words, arrange a few brothers for us to change shifts. They always stay in the cellar. It's too painful.

Charlie walked up to the person at this time, patted his shoulder lightly, and said with a smile: "This brother , Everyone is working for the commander, don't have so many complaints! With

that, a trace of spiritual energy penetrated into the opponent's body and went straight to the opponent's brain.

Immediately afterwards, like Musa, this person was given psychological hints by Charlie. Hearing this, he hurriedly said:

You are too right!
