

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2666

Charlie smiled slightly: "Miss Ziva, you have too many questions, but I can tell you clearly that I am not armed by the opposition.

I received your father's entrustment a few hours ago, so I hurried over from China. . the

time, a yellow opening said male face shocked: "This is how could it be caught from us now, but only half a day's time, such a short time, but you simply can rush from China!

Charlie smiled and said, "Things that you think are impossible may not be really impossible."

After finishing speaking, he looked at Ziva Hank and said lightly: "Time is running out, -I will prepare you an opposition suit for you. Follow me after you get on."

Ziva Hank blurted out and asked him: "Then what about my friends?"

Charlie shrugged and said, "I don't have a particularly good way to rescue all eight of you, so you go with me first. I will send you to a safe place first.

If conditions permit, I can consider coming back to rescue other people.

At this time, a blond man blurted out in unskilled Chinese: "I see you this People are just liars! There are one or two thousand opposition groups stationed here, what can you do to save us?"

Charlie nodded and said: "You are right, I can't save you, so you just be honest Just stay there. The

blond man snorted when he heard this, and said angrily:

"I don't need you to save me! There are so many guards outside. If you go out with you, you will be beaten into a hornet's nest by a machine gun!

I would rather stay and wait for my motherland to rescue me! Maybe, my motherland will immediately agree to the opposition's request, or send a SEAL team to rescue us

! "Yes!" There is another blonde girl in Chinese Said:

"Our US Navy SEALs are the top special forces in the world. They perform the most difficult tasks all over the world all year round,

including the killing of global terrorist leaders. I believe they will come. Save us!

Charlie said with a smile: "How do you know that the United States will send a SEAL team to rescue you? Who gave you the confidence?"

A dark-skinned American boy next to him said without hesitation:

Chapter 2666 (Part 2)

"We, the United States, has always been strong and will not allow any foreign armed forces to harm our country|citizens!

"And, don't forget that we have a large number of military bases around the world. There are several in the Middle East!"

"Turkey, a neighboring country in northern Syria, has several of our military bases;"

"Saudi Arabia in southern Syria also has our military bases!

"So, our motherland is likely to grow from these two The country, sent a SEAL team to rescue us!

Charlie couldn't help but exclaimed when he heard this: "I found that you are all very good at each one. Chinese is so sleek, have you learned it? "

Another Indian-American boy said proudly: "To tell you the truth, we are all the top students in the United States.

Everyone has several masters and doctorates. Everyone is proficient in several languages. What's the Chinese? Japanese, French, and German are all in question!"

Charlie couldn't help but gave him a thumbs up, and asked him with a smile:

"It's awesome, it's really awesome.

After he finished speaking, he suddenly changed his conversation and sighed: "Oh, I really don't understand.

How can you learn so many languages for such a brainless person? Do people who lack the heart and eyes have the talent to learn languages? ?"

The man blurted out: "What are you talking about!?"

Charlie sneered: "You said that you have military bases in several countries around, so why have I been here from Huaxia One-all the distances,

you The SEALs are so close, yet there is no ghost yet?
