At the same time, I spit on the seven highly educated stupid birds in front of me. Didn't they wait for the Marines to rescue them?

The Marines did not come, Lord came first!

Then, I listened to the commander Hamid and Musa and others outside exchanged a few words, probably asking Musa how the hostages inside them are.

One of the guards hurriedly said that everything is normal, and then the leader said: "Open the door."

Immediately, the door opened sounded.

After a while, the iron gate was pushed aside from the outside, and a man in a desert camouflage stepped in.

What's interesting is that the moment he stepped in,

his figure swayed to the left, which made Charlie instantly see that this guy was still a lame with a problem with his left leg!

Hamid stepped forward and saw these eight. The hostages didn't wear a headgear, and he furiously screamed, "F\*ck!

Why don't they wear a headgear?! Now they see my face, won't I have to kill it?!" As

soon as the voice fell, he realized There was still a figure in the peripheral light on his right side,

so he hurriedly turned his head and saw Charlie, who was looking directly at him with a smile on his face.

Seeing that Charlie was an unfamiliar face, he was suddenly shocked, and he subconsciously went to his pocket to draw a gun.

At this moment, Charlie pointed the muzzle of the AK47 directly at him, then closed the door with one foot,

and said with a smile: "Come on, kneel on the ground with your hands in your hands.

After speaking, he shook his head again and said to himself Said:

"I guess you can't understand Chinese. "

Hamid Durden when using Chinese blurting out:" You are the Chinese people?!"

Charlie curious and asked: "yo, you also speak Chinese?"

Hamid put a calm, said:" I've had studied in China , I learned Chinese. Originally, my father wanted me to fully develop trade with

China in the future, but he did not expect that my father would be killed by the government forces.

After speaking, he looked at Charlie and asked coldly:

"Who are you? How come you are here?! Are you a member of the government army?"

Charlie smiled slightly: "I'm not from the government army.

Hamid expression of horror, blurted: "Whom do you serve?"

Charlie pointed Ziva opening:. "I was commissioned by the girl's father to bring his baby daughter home,"

he said After that, he pointed to Hamid again, and said coldly:

"So you guys are not righteous, and go to war.

But you kidnapped a few students who were stupid in reading and were not afraid of other people's jokes?"

Hamid He gritted his teeth and yelled: "Stop talking nonsense with me here.

I tied them because they are with the government army and are my enemy! And you ran to me without shame and want to take people away, when I am here. ?You come as you want, and

leave as you want? Charlie smiled and said, "Otherwise? Believe it or not, if I kill you now, you can still safely evacuate?"

Hamid gritted his teeth and said, "It's all my people outside. You can't escape at all!

Charlie shook his head: "No, no, no, you are wrong, the outside is all my people.

Then Charlie opened the door and told Musa: "Take the two outside This guy controlled it, remember not to let the people in the yard hear it!

Musa nodded without hesitation: "Yes!

Hamid stunned and yelled:

"Musa, you dare to betray me! Betray our grand goal of overthrowing the government army!"

'Sorry!' Musa pointed at Charlie respectfully with both hands, and said without hesitation:

**"I am only loyal to this gentleman now!"**
