

The Amazing Son in Law Chapter (Charlie Wade)

Chapter 2679 Part 1

2679

Seeing Hunter (Hamid) limping up the stairs, Charlie was somewhat curious, so he casually asked: "Brother, your leg has been injured?"

Hunter (Hamid) looked back at him, then looked at him again. His left leg sighed: "My left leg was once seriously injured in a battle. It was hit by fragments from a bomb explosion. At that time, there was almost only one way to amputation, but fortunately,

I tried my best to save it. He has a leg, but this leg has also suffered irreversible damage, so after recovery, the muscles are severely atrophy, and the function is also severely degraded, so I am lame..." As

he said, he couldn't help but sigh: "In Syria like this Locally, the difficulty of a lame commander is really hard to explain! "

Although the lame man is not very severely disabled, Hunter (Hamid) is the supreme commander of an armed force after all.

He has a lame leg, and he has a personal image and prestige. Have a great impact.

The biggest impact was that his self-confidence was frustrated.

Once upon a time, Hunter (Hamid) was also an ambitious general, eager to make a difference in the chaotic battle, and even hope to become the supreme commander of the entire opposition.

However, since his lameness, his influence has dropped a lot, and his self-confidence has been hit.

Originally, his team had nearly 10,000 people, which was considered to be a relatively strong opponent in the opposition.

However, several confidants saw that his legs were lame and his self-confidence was severely damaged. They took the opportunity to instigate some of his subordinates to go out and stand on their own, so that his strength suddenly Plummet.

Sometimes the reality is so cruel. When a person has enough authority to deter his men, his men will appear as meek as a cat and loyal like a dog.

However, once this person's own strength declines and his body declines, a tiger and wolf heart will emerge from his men.

Self-reliance is already considered more moral, and those who have no ethics will even take the opportunity to kill their boss and replace it.

Such things are indeed common since ancient times.

Song Taizu Zhao Kuangyin originally inspected the front of the palace of the Hou Zhou.

After the death of Zhou Shizong, he had just passed the throne to his seven-year-old son, Emperor Zhou Gong. As a result, Zhao Kuangyin turned his face and launched Chen Qiao's mutiny and seized the young lord

Similar things are countless in history.

The same goes for Hunter (Hamid) in Syria.

This kind of local economic development is very backward, and it is mountainous, and the degree of motorization of the troops is very low. Most of the time, they rely on the legs and feet and transported animals, mules and horses. In this case, Hunter (Hamid)'s physical disability is infinitely magnified.

When soldiers were fighting in the mountains, he couldn't go to the front to cheer the soldiers;

when the troops began to maneuver in the mountains, he couldn't participate at all.

The soldiers of the opposition were born recklessly, and they needed the commander to take the lead or integrate into it, but Hunter (Hamid)'s legs became a huge shortcoming.

At this time, Hunter (Hamid) limped out of the cellar, followed by Charlie and Ziva Hank.

After coming out, I saw an armed helicopter parked in the yard, and all the armed personnel had been evacuated.

The weapons and ammunition originally suspended under the helicopter and on both sides have basically been disassembled, and all the ammunition has been removed from the cannon, which is the main firepower.

The reason why Charlie asked them to remove all the ammunition was to ensure that Hunter (Hamid) would not suddenly repent after arriving at the meeting place.

After all, the Wade family arranged for civilian planes. When the time comes to pick him up, they will definitely be civilian helicopters. In front of the armed helicopters, the civilian helicopters are paperless, and the cannon will be smashed into a sieve.

At this moment, there was a pilot standing next to the helicopter. He saw Hunter (Hamid) coming out with two strangers, Charlie and Ziva Hank, and suddenly felt a little bad, and subconsciously wanted to touch the pilot with a gun on his waist.

Hunter (Hamid) said immediately: "Throw the gun away, these two are my friends!"

When the pilot heard this, although he was skeptical, he did not dare to make a mistake, and immediately threw the gun to the ground.

Hunter (Hamid) again ordered: "Hurry up and start the helicopter!" The

pilot hurriedly climbed into the cockpit to start the propeller, and Hunter (Hamid) sat in the cabin with Charlie and Ziva Hank.
