“However, they sent troops to stir up a deal when they were all right. Even when they couldn’t get their hands free, they didn’t let us go. Instead, they secretly supported inciting one force to target another force, which in turn triggered our civil war. “The

result? Their group of young people came all the way to criticize us for fighting in the civil war. Did you say that their brains were eaten by dogs?

Hunter (Hamid)’s words-out, Ziva Hank was even more ashamed to not look up.

In fact, although their so-called elites are highly educated, they are essentially a generation brainwashed by Western media.

They always feel that everything about Westerners is the truth, while other places except the West are backward.

They are in the West every day and they see how other countries fall behind, how turbulent, and how the people are not living, so they can’t help but develop a sense of being the masters of the world.

As a result, they began to travel to various third world countries, trying to change the entire third world on their own.

However, they often overlook the most important point. Some third world countries are not doing things themselves, but the United States, which they are proud of, is behind them.

Therefore, this behavior of them feels like they are standing on the moral commanding heights and is extremely noble, but it is actually very stupid in nature.

Seeing Ziva Hank lowering his head deeply, Charlie smiled and said to Hunter (Hamid): “They did this as if his father took away other people’s clothes. Not only did they not know, they ran away. In the past, righteous words told people that you must be a civilized person in a civilized society, and you must not be as ridiculous as you are naked.

Hunter (Hamid) gave a thumbs up and said in admiration: “Brother, the summary is brilliant!

Charlie smiled. Said: “It can’t be said to be incisive. It can only be said that the higher education in the United States is too brainwashed. This large group of doctors and postdocs can’t even understand the basic international situation.”

Hunter (Hamid) said with emotion: “It’s still a brother, you see. Must be thorough.”

Charlie looked at the time. It was estimated that it would take about 20 minutes before Anthony and the others came. He saw Hunter (Hamid) standing on the ground. His left leg with muscle atrophy needed to stand on a rock ten centimeters high. Being able to maintain the balance between the left and right sides of the body, I couldn’t help but

think to myself: "This Hunter (Hamid) is not a bad person, and it can be regarded as very moral, but it is quite good to my appetite. Then think of him limping-one There must be many inconveniences and constraints on the leg in a war-torn place like Syria, so an idea

came to him . So, he smiled and asked Hunter (Hamid): "Brother, have you ever thought of putting your left leg? Healed?

Hunter (Hamid) smiled bitterly: "Of course I thought about it, and I can use all the methods I can use. In order to cure this leg, I have been to Germany, the United States, and Japan in another identity. , I spent tens of millions of dollars on seeking medical treatment, but I still can't cure my leg.

When it comes to this, Hunter (Hamid) sighed: "Hey! If I didn't achieve great cause, I became a lame man. This is really me. A lifetime regret."

Charlie said with a smile: "It's not as serious as the biggest regret in a lifetime. It doesn't matter if the leg is lame, it

can be cured ! Hunter (Hamid) said helplessly: "It can be cured, of course I don't say this. words. But the best orthopedic surgeon in the world told me personally that it would be impossible to cure it, so I didn't have any hope. Maybe this is the destiny arranged for me by God, and it is destined that I cannot achieve great cause. "

Charlie smiled, looking at him with an unfathomable expression, and asked: "If I say that I can cure your legs, do you believe it?

"I don't believe it!" Hunter (Hamid) shook his head subconsciously.

But, in the next second, he suddenly realized something, and blurted out: "Brother, are you kidding me, or do you really have a way?!"

Charlie smiled: "Then you and my brother are worthy of you, what about me? Would you make a joke about your regret?"

Hunter (Hamid) said excitedly: "Then what you mean is that you really have a way to heal my legs?!"

Having said this, Hunter (Hamid) did not hesitate to kneel on one knee, moping on top of his head, and respectfully said: "My brother! If you really have a way, please tell me the way, if my legs can really recover. , I will remember your kindness for the rest of my life!"

Charlie nodded, and took out a pill from his pocket. This is not a rejuvenation pill, but the previously refined blood-saving heart-saving pill.

This medicine used to cure Jacob, who had high paraplegia. Although it could not extend Hunter (Hamid)'s life span by more than ten or twenty years, it would not be a problem to cure his legs!
