

The Amazing Son in Law Chapter (Charlie Wade)

Chapter 2700 part 1

2700

Charlie questioned: "Then how did my parents die?"

Zayne blurted out, "How do I know? Your parents' death was not caused by me.

The people who wanted to kill your parents back then had more hair on my head. Not only at home, but also abroad, there are a lot of them. Maybe kill him, what does it have to do with me?"

Charlie smiled and said, "Does it have anything to do with you? I really don't say it right now, but it doesn't matter.

Since you are in my hands, I can grab you first, and then slowly investigate! "

Zayne subconsciously sternly reprimanded: "Boy, since you are Bruce's son, you should call me uncle,

I am also your elder anyway, you dare to be so presumptuous in front of me!"

"Presumptuous?" Charlie snorted: "This is presumptuous? I just said that if you don't kneel down,

I will smash your mouth. This hasn't fulfilled your promise yet!"

Zayne took a step back in fright, and said nervously: "You...you think you are the Wade family, you can do it to me casually?"

Have you weighed, if you provoke me, what will happen to you?"

Charlie sneered and said: "I don't know what will end, but I usually like to mess with it before talking!"

As soon as the voice fell, Charlie suddenly stood up from the sofa.

Before Zayne recovered, Charlie rushed to him, grabbed his collar, and put his other hand directly on his face. Shang slapped vigorously.

With a snap...

Zayne's entire left face suddenly swelled up, and the five-fingerprints on his face were already bright red.

At this moment, Zayne was directly beaten up, he roared hysterically: "You...do you dare to beat me?!"

Charlie asked with a look of surprise: "What? Don't you know the answer to this question?"

After finishing speaking, he slapped it again and slapped it directly, causing Zayne to spit out blood.

At this time, Charlie smiled and asked him: "Do you know the answer now? If you don't know, I can answer you again."

Since Zayne had been slapped twice by Charlie, his whole body had already been dazzled.

The severe pain made his whole person on the verge of collapse.

He grew up so big that he had only been beaten by the old man, but even the old man had never beaten him so hard!

He yelled at Charlie angrily: "Do you know what the Banks Family is capable of? Believe it or not, I can kill you in minutes?"

Charlie waved his hand and said disdainfully: "Zayne, save it, you have fallen into my hands, don't pretend to be strong in front of me,

and don't think you can overwhelm the Banks Family. Me, because my goal is not as simple as slapping you twice."

Zayne asked nervously, "What is your goal?!"

Charlie smiled and said: "My goal is to trample your entire Banks Family under your feet, not only with big ears licking your face, but also big ears licking your dad Lord Banks's face!"

"You...you..." Zayne has never met a person who speaks so arrogantly like Charlie in his life.

However, he also knows that he is now the turtle in the urn of others, and he has no chance to escape.

If he really angers the other party, the other party might really hurt the killer.

As a result, his whole person's momentum instantly weakened, and he explained: "Big nephew, you really misunderstood me about your parents. This matter has nothing to do with me, and it has nothing to do with my Banks Family!"

Charlie said: "It's not you who has the final say whether it matters, but I have the final say!"

Zayne asked nervously, "Then...what do you want?"

Charlie smiled and said: "What I want, I have already said before, I will draw your face first, then your dad's face, and then trample your entire Banks Family under your feet!"

Zayne was shocked in his heart, and never dreamed that Bruce's son would come to him to seek revenge, and this guy was so murderous!

At this moment, he suddenly thought that his younger brother James had disappeared in Aurous Hill

, so he subconsciously asked: "Is my younger brother in your hands!?"

Charlie nodded: "You are talking about James's fat pig? Yes, he is in my hands. Do you know how he is doing now?"

Zayne's face turned pale and asked, "What did you do to him?"

Charlie smiled and said, "Oh, I put him in a dog cage.

By the way, I shot him a video. He was stripped naked and only wore a pair of briefs.

He said to the video. Some nasty deeds of your Banks Family, you should have seen this."

Zayne immediately thought of the two videos that had completely destroyed the reputation of the Banks Family.

There is a paragraph, which James said in front of the camera.

Zayne had racked his brains to think about someone behind the scenes, but he didn't expect that this person turned out to be Bruce's son!

He couldn't help but swallowed his saliva, looked at Charlie nervously, and asked, "Then what do you want to do today?"

At this time, what he was most afraid of was that he, like his younger brother, was locked in a dark dog cage.

Charlie smiled indifferently, and said: "I know what you are thinking, but don't be nervous.

When you put your brother directly in the dog cage, it was a bit too simplistic and rude. It really lacked some artistic sense, so

I This time I have designed a complete set of super gift packages for you.

It is definitely a brand new design and a brand new experience!"

"If you enjoy it the whole time, I will promise you that you can remember it for a lifetime, and it will be a worthwhile trip and a worthwhile life for you!"
