

The Amazing Son in Law Chapter (Charlie Wade)

As soon as Zayne heard this, the whole person shuddered!

He really didn't expect that his two daughters were actually still alive!

Moreover, they were all rescued by Charlie!

In this way, if Charlie really let him take his life in exchange, what should he do? !

He does feel guilty for his two daughters, and he does hope that the two daughters will be safe,

but he is also a human! He didn't live enough either! He doesn't want to die either!

Thinking of this, he shuddered and choked: "Mr. Wade, I swear to God, I really didn't kill your parents back then...

Your parents' death really has nothing to do with me!"

As he said, he quickly added: "I say something to my heart. In the first half of my life, no matter what I do,

he will be crushed by your father. He is the unworldly talent and demeanor recognized by the entire Eastcliff and even the entire China.

Pianpian, talented!"

Speaking of this, he darkened his expression and sighed: "What about me? What am I? I'm just the eldest son of the Banks Family.

Not only is he inferior to him in every aspect, even his beloved woman has always loved him deeply, even if he After I die,

I live in his shadow all the time, and this shadow

has enveloped me until now! Until now!"

Deana, who was on the side, heard this and his expression suddenly felt a little guilty.

Zayne continued crying bitterly: "Although I never admit that Bruce is better than me for so many years,

I know very well in my heart that I am very clear that Zayne is better than Bruce! That is a hundred thousand worse than Bruce!

Eight thousand miles! With my ability, how could I kill him?!"

“When he was alive, I really hated him for being to the bone, but if you think about it, if I could kill him,

why didn't I kill him when he was radiant? Why didn't I kill him when he was at the top?

Why wait for him to retire before doing anything to him?”

Seeing his emotional excitement, Charlie said these words almost like confiding and venting.

He also realized in his heart that Zayne shouldn't really be the murderer of his parents when viewed this way.

It's not just Zayne's performance that doesn't show any clues.

Even more because his words do have some truth.

Charlie thought: “He must hate my father.”

“So, if he had that ability, he would have done it before his father was so radiant and completely covered up.”

“I won't wait until my father retires.”

“This is not logical!”

“Furthermore, people say that his father is a talented person,

but Zayne can't even touch the side of a talented person. If his father really died at the hands of such a villain, it would be a

big insult to his father! “

However, even if Charlie concluded that Zayne was not the murderer of his parents, he still did not intend to let Zayne go.

If nothing else is done, it is only for the four words Anti-Leaf Alliance.

These four words, even if they did not ultimately cause the death of their parents, but Zayne has been against his father all the year round,

this is also an indefensible offense and sin!

Therefore, just for these four words, Zayne must also pay the price for it!
