Charlie arched his hand towards Deana, then looked at Zara, and said seriously: "Please also Miss Banks for help."

Charlie suddenly talked to Zara, making her a little nervous.

But she was more or less tangled in her heart.

She is the Banks Family after all. If Charlie regards the Banks Family as a mortal enemy, and will continue to launch an

offensive against the Banks Family in the future, as a descendant of the Banks Family, it would be really difficult to handle it.

After much deliberation, she asked Charlie in a

low voice: "My dear...I can agree to your request, but can you please

answer me a question?"

Charlie nodded, and said frankly: "No problem, you can talk about it."

Zara plucked up the courage and asked him: "How will you treat the Banks Family in the future?

Will you continue to Kill, or will you just let it go?"

Charlie said: "Whether to let go or continue depends on how much the Banks Family did When my parents died."

"I won't let anyone who is related;"

"But it doesn't matter. As long as I don't get to provoke me, I will naturally not target him;"

"If you become the Patriarch of the Banks Family in the future,

and all the people in the Banks Family who should pay the price also pay the corresponding price,

then the Banks Family and I will not be in trouble!"

Zara nodded lightly, and said in a low voice, "Thank you,

In Zara's view, although Charlie said it was a bit cold, at least his grievances were clear.

Charlie checked the time and said, "Later today, I will ask someone to send the two to the suburbs.

Then I will give you a mobile phone. You can call the police.

By then, the two can return to the city. normal life."

As he said, he looked at Xion, and said: "Xion is in a special situation.

After all, she was instigated by Zayne and committed a felony in Japan.

Now all of Japan is looking for her, so please keep her whereabouts a secret. , Don't leak it out."

Deana nodded and said: "Don't worry about this, I won't talk about Xion."

Zara looked at Xion and said seriously: "Xion is my sister after all, I will definitely not disclose it."

When Xion heard Zara's words, she instantly touched the softness in her heart.

In fact, she always knew that Zara was her sister.

Although they are half-parents, they are half of the same blood.

Therefore, she has always had an affinity for Zara that blood is thicker than water.

It's just that she has always lived in Banks's family as a bodyguard,

so she must keep a distance no matter whether she is defending the

way to Banks, or to Zara and Fitz.

Moreover, since her identity was exposed,

she has never dared to face the Banks Family, especially

Fits and Zara brothers and sisters, and their mother Deana.

After all, my mother was a third party to intervene in the past.

In the face of the world, this kind of intervening in other people's families, and even illegitimate daughters,

is the most despised, especially from the anger of the original family

members.

However, what she didn't expect was that Zara didn't show any guilt or anger at herself, and also proactively said that she was her sister, which really moved her deep in her heart.

So, she choked up and bowed to Deana and Zara respectively, and said respectfully: "Thank you, madam, and thank you, madam..."

The eldest wife and the eldest miss are what Xion has always given to Deana and Zara.

Although she was the bodyguard of the Banks Family before, but the bodyguard was in the Banks Family and belonged

to the subordinates, so she naturally had to bring honorable titles to the direct members of the Banks Family.

When Deana heard this, he hurriedly said: "If Xion , don't call me MAM in the future, let's call me auntie."

Zara also took a step forward, gently holding Xion's arm, and said earnestly: "Xion, since half of the blood of the two of us are the same,

then you are naturally my sister. Needless to say, if you agree with this, you will call my sister from now on."

With tears streaming down her face, Xion looked at Zara and cried out in tears: "Sister..."

Zara stretched out her hand to wipe away her tears,

sighed lightly, and said seriously: "Hey... If you are away,

the Banks Family has owed you too much for so many years.

Sister will definitely compensate you with all her strength in the future..."
