Xion has watched many criminal investigation programs, and many criminals have been at large for more than ten or even twenty years.

After such a long period of time, they have changed their environment, new identities,

and even some people have completely changed their appearance. , But the police still rely on DNA to bring them to justice.

Therefore, she always felt that she had only temporarily escaped from Japan,

but that incident might accompany her for life.

Charlie said at this moment: "Auntie and Miss Banks, you two should stay in the room to rest.

I will arrange for someone to take you away in the evening."

Deana said hurriedly: "Thanks for your hard work, Charlie."

Charlie smiled slightly: "All should be."

Zara mustered up the courage and said,

Charlie looked at her and waited for her to follow along.

Zara hurriedly said,, can I leave you a contact method?"

Deana saw her daughter pluck up the courage to ask for contact information from Charlie.

She was afraid that Charlie would refuse, so he hurriedly added: "Oh yes! Charlie, you should leave us a contact information.

Let's communicate if there is anything in the future. "

Seeing that Deana's elders had spoken, Charlie couldn't refuse any more. He took out his mobile phone and said,

"Then let's add a WeChat account. If you have any questions, please contact with WeChat."

Zara said embarrassingly: my mobile phones have been taken away by your subordinates..."

Charlie nodded and said, "In this way, I will ask Isaac to arrange for someone to send you the phone back,

and then let them give you my WeChat ID.”

Zara was overjoyed and hurriedly said: “Then it will be hard work!”

Deana remembered something at this time, and said: “By the way, Charlie, at the previous auction, you have been asking me for the price to buy the small courtyard that your father lived in, right?”

Charlie smiled and said, “Yes, it’s me.”

Deana asked curiously: “Then why did you let it to me in the end?”

Charlie shrugged and said, “I think you may need that house more than I do.”

Deana smiled with emotion, and said, “Thank you for cutting love.”

“It should be.”

...

After bidding farewell to Deana and Zara temporarily,

Charlie took Xion and came out of the room of the mother and daughter.

As soon as he left the house, he saw that Isaac Cameron was already waiting outside.

He saw Charlie coming out, hurried forward, and respectfully said: “Master, I have arranged it here.

After half an hour, I will send Zayne to the airport, but he is here. There are still a few people here who are also under our control.

What do you plan to do? Do you want to send it over with him?”

Charlie waved his hand: “No, if you send them over, doesn’t it mean that you have arranged a few servants for Zayne?

Let Zayne go to Syria by himself. When you get there, you will have to fetch water and eat.

He has to shovel the pit by himself, so that he can hone and

hone it.”

After speaking, Charlie said again: “As for the other people, just send them all to Hong Wuna.”

Isaac Cameron smiled and said, “Good master, I will make arrangements!”

Charlie said again: “By the way, I will send you an account later and ask Zayne to remit the promised 100 million U.S. dollars,

and then send him away when the money arrives.”

“Great!”

Charlie then sent the Swiss bank account number sent by Hunter (Hamid) to Isaac Cameron.

After Isaac Cameron got it, he went to Zayne as soon as he got it.

Zayne did not dare to delay, and immediately called the financial officer of a company of the group

overseas and asked the other party to remit 100 million U.S. dollars to this account immediately.

Although Zayne is not the owner of the family, he still has the authority to transfer 100 million U.S. dollars,

so after verifying his identity, the financial officer immediately transferred 100 million U.S. dollars to Hunter (Hamid)’s account.

Ten minutes later, Charlie received a call from Hunter (Hamid). On the phone, Hunter (Hamid)’s shocked voice was a little incoherent, and he blurted out:

“Wade... Brother Wade... I... I just received a... The remittance of 100 million U.S. dollars... Couldn’t you arrange this?”

Charlie smiled and said calmly: “Well, I arranged it.”

Hunter (Hamid) exclaimed: “Brother! You...what did you send me so much money for?!”

Charlie smiled and said, “It’s just a little care. Besides, haven’t I said that, you have to support your brother in your career.

If you become a minister, don’t forget I am Your brother.
