

The Amazing Son in Law Chapter 2732 (Charlie Wade) part 1

Having said that, he said again: "We are now breaking with the Banks Family and losing the biggest source of income.

We still have to find a new master as soon as possible. Although the martial arts family has a good reputation, they have nothing to make money.

You can only rely on a large family that is willing to spend money. What do you think about this?"

Kairi shook her head and said, "Dad, let's tell you that, what I think about every day is Xion,

and I can't concentrate any energy on other things. I'm running around these days and I don't even have the energy to think about a meal.

What should I eat, every time I feel hungry and exhausted, I look for the nearest restaurant directly within my sight, and then fill up my stomach in the fastest time..."

After that, she bowed apologetically and said, "Dad, I can't help you during this period of time. Please forgive me..."

Wilfred (LORD Elms) nodded and comforted: "You don't have to blame yourself too much. I understand this kind of thing very well."

Speaking of this, he couldn't help sighing, and said: "It's just that you are the only one in Elms family who sees the problem relatively deeply.

Your brother and your brother have developed limbs and simple minds in martial arts training, plus they

haven't read any books. It's a bit superficial..."

Kairi asked, "Dad, do you have any general plans now?"

Wilfred (LORD Elms) said: "I probably thought about it. I still put the main family of cooperation within the scope of Eastcliff.

There are many large Eastcliff families. In addition to the Banks Family, there are also Wade Family and Sun family. Family cooperation.

After all, the enemy's enemy is a friend. I believe the Thorne Family must also have such a plan.

Deana is currently unclear about his life and death. They cannot suffer such a dumb loss in this matter."

Kairi nodded, forced herself to think for a moment, and said: "Dad, these three companies are very strong.

It is good if they can cooperate, but I still don't recommend cooperating with the Thorne Family."

Wilfred (LORD Elms) hurriedly asked: "Why?"

Kairi said: "The Thorne Family is in a special situation.

Not only are the future generations doing good business, but there are also people in high positions, so even if they are extremely dissatisfied with the Banks Family, they are unlikely to cooperate with our martial arts family. ,

It has an impact on their reputation, and it is not easy to explain to the outside world."

Wilfred (LORD Elms) suddenly realized, he blurted out: "No wonder! I always feel that the Banks Family is a bit unlucky now.

The ocean transportation business is so big and strong, but the license is suddenly revoked.

It seems that it is probably the work of the Thorne Family."

"Yes." Kairi said: "The Thorne Family will definitely choose reasonable and legal means.

Even if they use the rules of the game, they must be within the scope of reasonable and legal.

But in their eyes, we martial arts families are just walking around. People in the gray areas on the fringe of society, they will definitely draw a clear line with us."

Wilfred (LORD Elms) nodded and said, "I see, it seems that we still have to find a breakthrough in the Wade Family and Sun Family!"

After speaking, he stood up and said: in this way, I will transfer you another 10 million privately.

You can find it again in Jiaodong Peninsula. If you still can't find it this time, Dad suggests that you also take a moderate amount

. In the face of reality, if your whereabouts are unknown, you can't watch yourself and the whole Elms family languish!"

Kairi nodded gratefully, choked up and said, "Dad, thank you!"

Wilfred (LORD Elms) waved his hand and exhorted: "Don't tell your brother about this matter, do you understand?"

"I understand Dad!"

Just as Kairi finished speaking, the phone rang suddenly.

A Aurous Hill landline number ending in number six or eight came over.

She was a little surprised, but still pressed the answer button and said: "Hello, who is it?"

On the other end of the phone, Isaac Cameron asked politely: "Is it Ms. Kairi?"

"It's me, who are you?"

Isaac Cameron hurriedly said: "Hello, Ms. Elms, introduce myself. My surname is Cameron.

I am the person in charge of sangri-La Wade Family in Aurous Hill."

"People from the Wade Family?!"

Kairi was shocked to speak. She couldn't think of it.

She was talking to her father about the Wade Family. Even his father wanted to get on the line with the Wade Family.

Called to my cell phone!
