## The Amazing Son In Law Chapter 2735 | The Charismatic Charlie Wade Chapter 2735

2735

When Isaac Cameron mobilized resources to pick up Kairi from Northeast Desert City to Aurous Hill, Zayne was escorted on a plane by Isaac Cameron's men and flew to Syria.

At the same time, Hunter (Hamid), who was far away in Syria, also began to mobilize his own soldiers, preparing to follow Charlie's points to strictly implement the nine-character policy of digging deep, accumulating food, and slowly becoming king.

His friend in the construction industry in Iraq heard that Hunter (Hamid) said he could give a 50% project premium,

and he was willing to pay five million US dollars in advance. He did not hesitate to stop his late payment in Iraq.

The project, with a bunch of construction workers who want to make money, hurried to Syria.

LORD banks didn't know that his son had already started a journey westward.

He knew that Zayne was looking for a chance to meet Ito Yuihiko today, so he waited for Zayne's good news in the villa.

And Hank, who is teaching at Aurous Hill University of Finance and Economics, has been suffering from extreme anxiety all morning.

He has been following reports on the eight hostages in Syria, but what makes him feel very nervous is that there is no public report on the latest development of this matter.

It's not that the local media didn't report it, but the opposition, who had taken the hostages, didn't even speak up.

According to the previous public statements of the opposition, if the US embassy does not pay 80 million US dollars,

now they will kill the prisoners one by one at a certain time interval.

It stands to reason that once the opposition and the U.S. embassy talk to no avail, they must kill the hostages to put

pressure on the U.S. embassy, but they went silent and did not release any more information. This is really counterintuitive.

Hank was also worried about Charlie's safety and whether Charlie could bring his daughter back.

After all, there was a lot of war there, and I wanted to come to Charlie alone, but

I was afraid it would be difficult to rescue his daughter easily.

But he didn't know that Charlie had already brought his daughter back to Aurous Hill as early as dawn.

At this moment, his daughter Ziva Hank is in a dream.

Life in Syria during this period was very difficult, and after being captured, there was a lot of fear, psychological and mental pressure.

Now she finally returned to the peaceful and peaceful Huaxia, lying on the soft and comfortable big bed of

the five-star hotel, which made her completely relax physically and mentally, so she slept very firmly.

Charlie ordered Isaac Cameron to contact Kairi, and he strolled to the commercial

area of the Shangri-La Hotel.

This kind of top star hotel has very complete commercial facilities.

Many top luxury brands prefer to cooperate with five-star hotels.

Because in their opinion, consumers who live in five-star hotels generally have relatively strong spending power, which completely overlaps with their customer groups of luxury goods.

Therefore, many Chanel, Hermes, and Dior stores are opened in five-star hotels.
