Charlie came here alone, not because he came to go shopping casually, but he planned to buy new clothes for Ziva Hank.

When he saw Ziva Hank in a cellar in Syria yesterday, the clothes Ziva Hank was wearing were so dirty that the original color was not visible.

After all, they were arrested as prisoners of war, so in this case, it is difficult to guarantee a decent dress.

However, at noon, Charlie planned to take Ziva Hank directly to Aurous Hill College of Finance and Economics and

give her father Hank a surprise.

Since it is to give a surprise, his daughter must be delivered to him intact and clean.

If Zivz wears something like a beggar and goes there, let alone how Hank feels after seeing him, the key is that the security guards of Aurous Hill University of Finance and Economics may not let her in.

Charlie came to the commercial area and bought Ziva Hank a high-end customized garment in the Chanel store.

The style of a high-end fashion brand like Chanel is slightly luxurious, and the style of clothes is more glamorous and sexy.

Charlie chose a beige dress casually.

Chanel's dress is in the style of the British royal princess.

The lower body is a knee-length skirt, while the upper body is a long-sleeved small suit style, which is quite a luxurious celebrity style.

The reason why I chose this kind of clothes is mainly because the weather is still a bit cold now.

This kind of spring and autumn clothes is just right.

Although the skirt of this dress is very long, if you wear it with bare legs, it will definitely be a bit cold, so Charlie bought another black base stockings.

After he chose the size based on Ziva Hank's height in his impression, he was about to pay the bill and leave.

He suddenly remembered that the pair of sneakers worn by this woman yesterday was too dirty, so he bought her another pair of size 37 White fashion leather shoes.

Charlie didn't know if this size was right for her, but it didn't matter. If it wasn't appropriate, let Ziva Hank make do with it. It was better than wearing the clothes that had been on the battlefield.

Carrying the newly bought clothes and shoes, Charlie accidentally discovered that there were several dummy

models wearing only underwear in the window of the next store.

He just remembered that he hadn't bought underwear for Ziva Hank yet.

You don't have to think about it. Ziva Hank has been tossing for so long and finally arrived in the room in the morning.

He must be exhausted. Therefore, it is most likely that she will go to bed immediately after taking a shower.

She can't have time to wash her underwear out and dry them all. on.

That means that when she is going to see her dad, she doesn't have clean underwear to replace.

Therefore, Charlie simply walked in.

After entering, Charlie discovered that this turned out to be a high-end underwear shop that only sold women's underwear.

The salesperson inside is female, and the few customers who are hanging out in the store are also female.

Seeing Charlie, a big man, came to visit the lingerie shop alone,

everyone looked at him with a strange look.

Charlie also knew that it was indeed a bit inappropriate to run here alone, so he planned to make a quick deal,

pointed directly at a black lace underwear worn by a model, and said: "Come on, please give me this. . sets

a saleswoman little embarrassed to say: "sir, you want to do what size?

Size?" Charlie frowned, recall, opening:

"probably about 1 meter 7 tall, slim.

Ok. The salesperson nodded, and then asked, "Then what cup shape is your girlfriend's upper body?

Charlie heard what she meant, and thought to myself:

"What cup shape Ziva Hank is, how do I know?

I didn't touch it. But, besides, she didn't tell me

Ziva Hank. " "Moreover, when I saw Ziva Hank, she was wearing outdoor sportswear with anti-war slogans.

The clothes were relatively loose and looked like they didn't have much chest.

So he

bit his head and said: "Well, I don't know what the specific cup is, but it should not be too big."

The salesperson also said with a bit of embarrassment: "That should be the A cup, wait a minute,

I Help you match the size.

Charlie said without hesitation: "Okay! Hurry up! The

salesperson took out two pieces of underwear neatly stacked in the packaging bag from the small warehouse at the back,

and asked Charlie:" Sir, do you want to open it and take a look? Check for flaws or thread ends.

Charlie is ashamed to check women's underwear in front of so many people, and hurriedly said:

"No need, just put it on for me. Come on, pay, do you sweep me or I sweep you?" The

sales clerk said hurriedly: "Wait a minute, I will sweep you! The

sales clerk skillfully puts the underwear into the bag, and then scans the code for settlement.

After checking out, Charlie ran out carrying the underwear bag without waiting for the receipt.

The salesperson looked at Charlie's back, then looked at the back of the dummy model,

and muttered: "I didn't expect this handsome guy to be so decent,

and he would come alone to buy such explicit T-shaped underwear for his girlfriend.
