

The Amazing Son in Law (Charlie Wade)

The Amazing Son In Law Chapter 2739 | The Charismatic Charlie Wade Chapter 2739

2739

The package is opened, and lying inside are two individually wrapped plastic bags.

Ziva Hank looked at the two pure black clothes with lace edges, and his embarrassed face became hot.

Although I guessed it must be underwear, I didn't expect it to be black with lace.

In fact, Ziva Hank never wears such fancy and somewhat over-the-top underwear.

She is a pragmatist. She likes to wear close-fitting clothes with solid colors and skin-friendly

fabrics. After all, in her opinion, comfort is the most important thing.

However, right now Charlie bought them all, and there was no other choice, so she could only bite the bullet and open it, thinking:

"Anyway, let's dress for a while before going out. My personal belongings are all in the United States.

The luggage and clothes are all in Syria. I didn't bring anything with me this time.

I can only purchase and purchase in bulk after I met my father."

Immediately, she blushed and opened one of the underwear Charlie bought for herself.

This is a piece of clothing worn on the upper body,

so the first thing Ziva Hank does after

opening it is to look at the size.

She usually doesn't like to wear clothes that show her figure, so it is easy to be mistaken for a flat figure,

but in fact, at a height of 1.7 meters, she has a super hot figure.

The front and back are just basic, and that is everywhere. The S-shaped curve is not much better than those supermodels.

It is also because Ziva Hank's figure is really too hot. Since she was in college, she has often attracted some

nasty suitors because of her good figure. Even many people, like dog skin plasters, have a huge impact on her study and life.

So since then, she has never worn any clothes that can accentuate her figure.

For example, in summer, wear loose clothes as much as possible, and never wear skirts above the knees to avoid showing slender legs.

But in winter, I dress myself up very bloated, and I can't see the convexity and curve of the figure at all.

Charlie was fooled by this.

Looking at Ziva Hank, it seemed that she didn't have much body, so she was out of stock on her chest,

so she bought the smallest A cup directly.

However, the true situation of Ziva Hank is at least two sizes larger than it...

Therefore, when she tried on the dress that Charlie bought, she was speechless to the extreme,

and she couldn't help but mumbled: "Is my figure so well hidden and so easy to be underestimated?"

This... how can people wear this? Ah...I'm afraid that you will be strangled and breathless when you wear it hard?"

Thinking of this, she couldn't help sighing, and thought: "It must be because I have always been subjectively unwilling

to show off my figure, and that's why MR. Wade has such a big error and prejudice. I am a Princess Taiping..."

Ziva Hank sighed, then looked at the dress in front of him, and decided to gritted his teeth before putting it on.

Afterwards, she opened the other bag and took out the clothing that was as thin as a cicada's wings.

She held the piece of clothing with both hands and took a look, she screamed,

and subconsciously threw the piece of clothing out, and then immediately covered her hot face, and her heart rate was almost twice as fast as before!

“MR. Wade... how could he...”

Ziva Hank touched his hot face, and muttered ashamedly in his mouth: “Why would MR. Wade buy this kind of clothes for me...”

Isn't this too explicit?!”
