### The Amazing Son in Law Chapter 2740 (Charlie Wade) part 1

"Is he unintentional? But, before buying clothes, he must have seen styles? Can't you see

that this kind of clothes is too explicit?"

"Or, did he deliberately?"

"But... why did he deliberately buy this kind of underwear for me? Is it deliberately mischievous,

or has some kind of nasty interest?"

Ziva Hank felt weird all over, and looking at the piece of clothing she threw on the ground,

she was almost certain that she would never wear such disgusting things in her life...

However, she quickly overthrew the idea she had just decided in her mind.

"If you don't wear this, there is no solution! It is really unacceptable to wear dirty, or not to wear it at all..."

"It seems that this is barely acceptable..."

Thinking of this, she didn't even bother to speculate on Charlie's motives, gritted her teeth,

and picked up the piece of clothing she had thrown away again.

...

Ten minutes later, the doorbell in Charlie's room rang.

He opened the door, and the one standing outside the door was indeed a completely new Ziva Hank.

Wearing Chanel's customized dress, paired with leggings and white leather shoes,

Ziva Hank feels a bit noble and reserved.

In fact, her dress was worn by the commoner princess in Europe, who had been very popular some time ago, in

public, showing her temperament and taste.

However, who would know that Ziva Hank's so reserved and noble dress turned out to be a set of

underwear that made her feel very ashamed.

Charlie didn't know what was going on inside.

Seeing that she was wearing very decently, he couldn't help but said with a bit of complacency:

"Oh, it seems that I have a good vision. This dress is a perfect match for you, and it looks very sized. Suitable!"

Ziva Hank's face immediately turned red to the base of his neck.

She thought to herself: "The outside is indeed very suitable, but the inside is not suitable at all!

I really don't know if you are intentional or unintentional. If you are unintentional and easy to say,

if you have the intention, then you are too funny!"

"Moreover, the clothes on the upper body are obviously too small, and I can hardly breathe!"

However, she never dared to speak such words.

So, she nodded awkwardly and said, "Thank you, MR. Wade, the clothes and shoes are very good."

Charlie nodded, with some doubts in his heart, his clothes and shoes fit, and

he didn't know whether his underwear fits or not.

However, this kind of question can't be asked, so he simply changed the subject and said to her:

"It's getting late, let's go."

"Good!" Ziva Hank nodded gently.

Charlie asked Isaac Cameron to send him a car key, and he drove Ziva Hank to Aurous Hill University of

Finance and Economics in Buckingham Palace.

On the way, Ziva Hank had been looking around curiously, especially when she went to the center of Aurous Hill,

she couldn't help but said: "Aurous Hill is just a second-tier city, how can it be developed so well? Looks like an international metropolis..."

Charlie smiled and said: "China has been developing rapidly in recent years. In addition to first-tier cities,

there are also a large number of approved first-tier cities. Aurous Hill is now considered a quasi-first-tier city."

Ziva Hank nodded and said with emotion: "I used to think Aurous Hill was just a medium-sized city.

I didn't expect it to develop so well. It seems that the domestic situation is indeed very different

from what the Western media advertised."

Charlie smiled and said, "That's natural. Western media are all lemon essence, and it's sour all day long."

Ziva Hank agreed and said: "It's true, they like to report the smearing content every day."

With that said, Ziva Hank felt that he was getting more and more uncomfortable.

Thinking about the shameful style, he couldn't help but feel a little depressed, so he deliberately said to Charlie:

"MR. Wade, do you often buy underwear for your girlfriend?"

Charlie didn't expect Ziva Hank to talk about this suddenly,

and while embarrassed, he also answered smoothly: "How is it possible, today is the first time..."

Ziva Hank pretended to be surprised and asked: "Really?!"

Charlie nodded and said, "Of course it is true."

Ziva Hank asked again: "Will you be embarrassed when you enter the store?"

Charlie sighed: "That's quite embarrassing... There are prosthetic models wearing all kinds of underwear everywhere.

I don't dare to look at my eyes. I can only point to a model casually and buy it back quickly. Up."

Ziva Hank nodded lightly, and thought to himself: "It seems that the style is not what MR. Wade intended..."

Immediately, when she saw Charlie talk about it,

she seemed to be a little cautious, and she couldn't help laughing in her heart:

"I didn't expect that such a powerful person as MR. Wade

would be embarrassed..."
