## The Amazing Son In Law Chapter 2745 | The Charismatic Charlie Wade Chapter 2745

Hank suddenly asked that, and Ziva Hank's face became even more red.

She thought to herself: "Is it uncomfortable? Of course I am uncomfortable..."

The underwear Charlie bought for me is two sizes smaller than the underwear

I normally wear! Strangled even harder..."

However, she definitely couldn't say such words, so she could only replied in a vague way:

"Ah, Dad, I'm okay, maybe my spirit hasn't recovered yet, and I'm a little nervous..."

Hank didn't think much, nodded lightly, and sighed: "You have been in such a place for so long, you must have suffered a lot,

and it is normal for you to experience a war and a kidnapping, and mental tension is normal."

Ziva Hank looked embarrassed and thought to himself:

"I am not mentally strained, I am physically strained, and if I stretch it like this, I really can't breathe..."

At this moment, Hank, who was beside him,

looked at Charlie and pleaded: "Charlie, look at the ocean transportation, can you let Ziva Hank take a rest and rest?"

Charlie smiled and said, "Of course, we don't mean to start working right away.

I will have a good rest in these two days.

I will gather some resources. It just so happens that the head of the Ito family in Japan is in Aurous Hill.

She has a good relationship with me. In ocean transportation, the two sides have many projects that can be in-depth cooperation."

"The Ito family?" Ziva Hank said in surprise: "That's the number one family in Japan now! Their head was formerly Ito Yuhiko,

right?

It seems that after the Tokyo chaos a while ago, Ito Yuhiko was injured and paralyzed. Give it to his daughter Ito Nanako.”

Charlie didn't expect that Ziva Hank still knew the situation of the Ito family very well, so he smiled and

asked:

“What? Have you paid attention to the situation in Japan?”

Ziva Hank nodded and said earnestly: “Attention must be paid to attention. After all, we are studying finance.

We must study the relatively high-ranking economies in the world. Japan's GDP ranks first in the world all year round.

Third, the industrial foundation is relatively strong, so I pay more attention to their business and economic developments.”

Charlie said, “In addition to Ito Nanako, who came to Aurous Hill this time, there is also her father, Ito Yuhiko.

I will introduce you to me at that time.”

Ziva Hank said: “No problem.”

Hank checked the time and said, “By the way, neither of you have lunch, right?”

Charlie nodded: “I haven't taken care of it yet.”

Hank smiled and said: “I haven't eaten either.

I have never had an appetite before. Now that you and Ziva Hank come back safely, I feel hungry right now.

Should we go out to eat?”

Ziva Hank has basically had nothing to eat since he got on the plane, so he felt a pang of hunger, so he quickly said,

“I'm hungry too. Let's find a restaurant and have a chat while eating.”

Charlie naturally did not refuse, and said with a smile:

“In this case, I will arrange it at noon.”

Hank said hurriedly: “How can I let you arrange it?”

Uncle will invite you to say anything about this meal!"

Charlie smiled and said, "I have a good friend who opened a restaurant.

The taste is great, and people who are not familiar with it can't book a box, so I will arrange it.

When Uncle Hank wants to invite me to dinner, he can ask me at any time. Since we are all in Aurous Hill anyway, it is convenient to meet each other."

Hank heard this, so he didn't insist anymore, nodded and said: "That uncle will just listen to it!"

Charlie felt that he hadn't been to Heaven Springs of don Albrt for a long time.

In fact, the food in that place was really good.

It just so happened that today is the reunion of Hank and Ziva Hank.

Naturally, it should be a little grander.

So he took out his mobile phone and said to the two of them:

"I'll call that friend of mine first and let him arrange it."

After speaking, he hit Don Albert over.

As soon as the phone was connected, Don Albert's voice came over:

"Master ! What are your instructions for calling me?"

Charlie said: "That's right, I want to invite my friend to dinner,

so I want to ask you if there is a box in Heaven Springs at noon."

Don Albert said without hesitation: "Master ,

you can go directly to Heaven Springs. The Diamond Box in Heaven Springs has long since been reserved for you.

You can go and sit at any time!"

Charlie said in amazement: "Don't let Don Albert,

your diamond box is so popular, if you don't treat guests to the outside,

the loss is not small!"

Don Albert smiled and said seriously: "Master , you gave Don Albert's life. What is a small diamond box?"
