But looking at it now, it's obviously hills!

This also means that Ziva Hank's figure is actually very predictable, it was just hidden before.

Combined with the muffled noise just now...

Charlie immediately wanted to understand what had happened.

At this moment, Charlie was also very embarrassed.

I kindly bought other people's internal and external clothing.

I wanted to be convenient for others, but what about now?

Not only did it cause a lot of trouble to others, it even caused such a big embarrassment.

Next, I have to go to the restaurant to eat, can't he let Ziva Hank go like this?

Thinking of this, Charlie sighed inwardly and thought to himself:

"Hey! If you did something wrong by yourself, let's find a way to make up for it yourself!"

So, he spoke calmly and said: "My car is parked below.

Let's go to the hotel first. I have a personal business. It may take about ten minutes.

I also trouble Uncle Hank and Ziva to wait for me in the hotel for a while."

Hank smiled and said: "It doesn't matter, it doesn't matter, you can just go busy if you have anything.

I happen to have no class in the afternoon, so I don't worry."

Ziva Hank on the side, because he was ashamed to the extreme at this time, and

he was thinking about what to do next,

so he didn't hear what Charlie was saying.

She now wants to find a reason to withdraw first, and then hurriedly buy a fitting underwear to change it.

But she changed her mind: "I can't say anything to go by myself now..."

After all, I have such an embarrassing situation on my body. Wouldn't it be a shame if someone noticed it when I was taking a taxi or buying something?

Hey...I Let's go to dinner with Charlie and Dad first, and go home with Dad directly after the meal.

When you get home, use needles and thread to patch up the broken one before you come out and buy a new one!"

Thinking of this, she walked behind them in fear, and at the same time she couldn't control her eyes,

looking left and right, for fear of being discovered by others at this time.

Fortunately, the professors and faculty members of the school went to eat at noon, so no one else was encountered along the way.

Ziva Hank finally breathed a sigh of relief until he sat in the back seat of the Rolls-Royce.

Charlie was thinking about making up for his mistake,

so he drove while paying attention to the nearby shopping mall to see if there was a suitable place,

and later bought a new set for Ziva Hank.

When he was approaching Tianxiang Mansion, he finally saw a comprehensive shopping mall next to him.

On several huge billboards at the entrance of the mall, there was a brand of women's underwear, and he was relieved.

At this moment, Ziva Hank also saw the billboard, and he couldn't help crying silently: "Hey..."

I imagine that he teleported to this store all of a sudden like the super-powered person in the movie,

and bought a fitted one. Teleport back again..."
