

The Amazing Son in Law (Charlie Wade)

2751

Ziva Hank felt ashamed and angry when he heard this.

Shameful, Charlie was embarrassed enough to buy her own personal clothes

, and now she asked about this directly face to face,

which made her feel ashamed.

What's angry is that Charlie, what the hell are they buying!

Either it was extremely revealing, or it was impossible to wear at all.

Now that the strap on the back of the upper body is still hanging on the body, it feels more uncomfortable and uncomfortable.

However, Ziva Hank also knew that these were the unintentional mistakes of Charlie.

Even if he was angry in his heart, he was not angry with him, not to mention that others had saved his life and was his savior.

So, she could only bite the bullet and say: "That...that...is just fine..."

Charlie asked subconsciously: "Are you sure it's okay? Didn't they all fall apart?"

Ziva Hank was extremely embarrassed, and at the same time asked in surprise: "You...how do you know..."

Charlie said a little apologetically: "I'm really embarrassed about this.

I didn't think much about it when I bought it.

I knew it was like this. I should buy a big one or not a small one.

It's easy to say if it is big, it will definitely be awkward if it is small..."

Ziva Hank's pretty face flushed, and he didn't want to continue discussing this topic with Charlie.

Charlie took out the underwear that he had just bought from his pocket at this time.

He wanted to walk over and hand it to her, but he thought it would be weird to hold the underwear directly to others,

so he put the underwear on the dinner table.

Pushing it in front of her, she said in a somewhat awkward manner: "This is a new purchase.

I deliberately bought it two sizes larger. Would you like to go to the bathroom to change it now?"

Ziva Hank never dreamed that Charlie could take out another piece of underwear from his pocket!

And what surprised her even more was that this underwear turned out to be the brand she saw when she was in the car!

“That means that Charlie said just now that he had something, but he actually went to buy me underwear? His thoughts coincided with me...”

Thinking of this, Ziva Hank was moved all of a sudden.

She didn't expect Charlie to be so considerate.

At this time, she really didn't want to be embarrassed, and quickly grabbed the underwear that Charlie pushed over, stood up, blushed and said

, “Thank you, Mr. Wade...”

After speaking, he hurried to the bathroom in the box.

She took off the underwear that was originally very inappropriate in size as quickly as possible, and the marks of the joints on the back were cracked and broken.

She couldn't wait to throw this underwear into the trash can, but a thought flashed in her mind, making her realize that this was the first underwear Charlie gave her and the first she had received in her life.

A piece of underwear given by a man.

So, she rolled up this underwear in a wicked manner and left it quietly.

Afterwards, she took out the newly bought one by Charlie.

This time, the size really fits the body, letting her breathe a sigh of relief.

Before, I felt like a size 40 foot, but I walked all day in size 35 shoes.

It is finally normal now.

A few minutes later, when Ziva Hank came out of the bathroom, the whole person was in a complete state.

Prior to this, she had been very cautious, did not dare to make any big moves, and her mood was even worse.

But now, the size of the newly bought underwear by Charlie is very suitable.

After changing it, all the negative feelings and emotions are instantly wiped out, making her a lot easier.

After coming out, she clasped the changed clothes with her hands behind her back, for fear of being seen by Charlie.

This was mainly because the Chanel dress that Charlie bought for her didn't have a pocket, so she didn't know where to put the dress, so she could only carry it on her back first.

Seeing Charlie, Ziva Hank said with some embarrassment:

"Mr. Wade... thank you so much..."

Charlie smiled slightly and said seriously: "It's all right, is it fit this time?"

Ziva Hank blushed and nodded.

This time the underwear really fits perfectly.

But she was not too embarrassed to say it directly.

Therefore, she could only lower her eyelids slightly, and said unnaturally: "Mr. Wade, can you please calculate the total amount of money,

and I will pay you back when I look back!"

Charlie waved his hand: "You don't have to be so polite between you and me.
