

## The Amazing Son in Law (Charlie Wade)

2752

How can I say that I am also your future boss, and I will treat it as an induction gift for you.”

Ziva Hank was even more embarrassed, and thought to himself:

“It’s okay to give clothes as a gift for the job, but what kind of thing is giving stockings and underwear...”

But then I thought about it, if I stopped struggling, this matter would have passed now, but if I had to return the money to Charlie again,

then this matter would be like it’s not over yet.

With such an embarrassing thing, she just wanted to turn it over as soon as possible and didn’t want to have any sequels.

So he quickly said gratefully: “Since Mr. Wade has said so, then... then I won’t be polite to you.”

After speaking, she quickly turned around, and at the same time hid the clothing in front of her,

lowered her head and returned to her seat.

At this time, Hank opened the door and said with a smile: “I went to see it, I really don’t know what to choose.

Mr. Albet recommended a few special dishes, but I’m not sure if it suits your appetite.”

Charlie smiled and said, “The food at their home tastes good.

If you feel that it doesn’t suit your appetite, you can try something else.”

As he was talking, Don Albert personally walked in with four bottles of Thirty Years Old Moutai Liquor, and said respectfully:

“Master and Professor, you can drink these four bottles first, and I will take them if you don’t have enough!”

Hank hurriedly said: “Oh, Mr. Albert, I don’t have that much alcohol.

When I was young, I could drink a catty or so, and now it’s six or seven taels. What’s more, this Moutai has a high degree.

I guess I can drink at most. Just half a catty...”

Don Albert smiled and said, "Professor hank, although this alcohol has a high alcohol content, it can't be drunk.

You can open it and drink a few more glasses!"

Hank was in a particularly good mood, and continued to say: "Okay! Then drink a few more glasses!"

Upon hearing this, Charlie took the initiative to pour a glass of white wine for Hank and himself, and then ordered Don Albert to say:

"Don Albert, you can prepare some drinks for Miss ziva."

Don Albert was about to get it, and Hank opened his mouth at this moment:

"Ziva, Charlie is your savior, you can drink some too, just to respect him a few glasses later!"

Ziva Hank hesitated for a while, then nodded and said, "Good dad."

Charlie hurriedly said, "Ziva hasn't taken a good rest yet, so let's just leave the white wine in my opinion.

Don Albert will go and get a bottle of red wine."

Don Albert hurriedly said, "Okay Master , I will go now."

Ziva Hank looked at Charlie gratefully, and said, "Mr. wade, then I will salute you with red wine later!"

Charlie smiled and said, "We are the same generation. From now on, we should not be so polite. Just call my name."

Ziva Hank nodded lightly and said, "From then on, I will call you President wade at work, and I will call your name privately."

Charlie smiled slightly and said nothing.

After Don Albert delivered the red wine, Hank picked up the wine glass and said to Charlie: "Charlie, this girl of mine is my only blood.

I will offer you a glass with Ziva, thank you for your life-saving grace!"

Charlie hurriedly stood up, picked up the wine glass and said:

"Uncle Hank is serious, don't say thank you any more, it's all in the wine."

Hank said immediately: "Yes! It's all in the wine, come, let me do it first!"
