

# The Amazing Son in Law (Charlie Wade)

2755

Hearing what Ziva Hank said, Hank never recovered.

He blurted out subconsciously and asked: "Don't like girls?! You don't like girls, can you still like boys?!"

Ziva Hank didn't expect that his father would still look shocked when he heard this answer, and couldn't help asking:

"Dad...then do you think I should like boys or girls?"

Hank immediately beamed his eyebrows and said happily:

"From the perspective of me being a dad,

of course it is better to like boys!"

After finishing speaking, he hurriedly looked at Charlie again and blurted out: "Charlie, forget the girl named Zara,

please see if there are suitable young talents around you. If you have one, introduce Ziva.!"

Charlie smiled slightly, nodded and said: "Okay, I will pay more attention when the time comes."

Ziva Hank said with an awkward expression: "Dad, I have no plans for this for the time being.

Mr. wade took such a big risk to rescue me. I always have to focus on work first and wait two years for love affairs. "

Hank said with a smile on his face: "Oh, as long as you say that you like boys, then my heart will be more comfortable.

Wait two years and wait two years, dad don't worry!"

After finishing talking, he poured a glass of wine in a hurry, and said to Charlie: "Come to Charlie and have a drink with my uncle.

Today is really a double happiness, double happiness!"

Charlie naturally knew why Hank was so happy.

He smiled and picked up his wine glass, and said, "Since Uncle is happy, drink a few more glasses."

Hank's drunkenness grew stronger as he pushed the cup to change.

By the time a meal was almost finished, he was already confused.

Seeing that the food was almost eaten and the wine was almost drunk, Charlie said to Ziva Hank, "Ziva, or let's be here today,

I will ask Don Albrt to send you and Uncle home, and you will have a good rest when you go back. rest.”

Ziva Hank nodded lightly and asked, “Mr. wade, do you have time tonight?

I want to invite you to dinner alone to

express my gratitude.”

Charlie waved his hand: “Forget it today, you should take a good rest for two days, and then we will make an appointment in two days.

By the way, we will also have a good talk about the preparations for the development of ocean shipping business.”

Ziva Hank said: “That’s it, I’ll wait for your news.”

Hank said drunkly at this time: “Charlie...you...you are really an uncle’s nobleman...in the future, your ocean shipping company, wherever you need uncle, do...just speak up!”

Charlie nodded and smiled: “Good Uncle , don’t worry, I will inevitably trouble you in the future.”

Hank immediately retorted: “What is trouble? How can this be trouble? But Ziva will have to trouble you to take care of it in the future.

This kid is smart and smart, and has a lot of knowledge, but he lacks social experience and reality.

I’m afraid that her eyes will be low and her hands will go the wrong way, so you shouldn’t take care of her too much in the future.

If you do a good job, you can talk about it.

Charlie smiled and said, “Uncle hank, I believe Ziva will definitely do a good job.”

Hank said with emotion: “That would be the best...”

After finishing speaking, I looked at Charlie and didn’t know which of the tendons didn’t match up. He suddenly sighed:

“Hey! You just got married too early, otherwise if you can be my son-in-law, I won’t have to worry about her... ..”

Ziva Hank blushed immediately: “Dad, what are you talking about...”

Hank chuckled twice and said: “Drink too much and sigh with emotion, simply sigh with emotion!”

Charlie smiled and said, “Since you drank too much, then I will send you back to rest first.”

After speaking, Charlie called Don Albert, let Don Albert drive, and sent Hank and Ziva Hank home.

After Don Albert drove away, Charlie felt a little worried. He didn’t know if he should go home first or go to Shangri-La to take a rest.
