

The Amazing Son in Law

(Charlie Wade Chapter 2758)

part 1

Lord Wade said again at this time: "But Charlie is completely different from his father!"

"Charlie's acting style is standard pragmatism, with a strong purpose."

"For him, all the driving force is to achieve his own goals.

For this, his methods are also diverse and unrestricted, and they can do whatever they want."

"He is the kind of person that you provoke me,

then I will f*ck you, you must do you, and he knows very well that if he knows that he can't do you temporarily,

he will come back, anyway, his purpose is one. ,

And it's done."

"Moreover, he doesn't have so many restraints and shackles in his eyes."

Speaking of this, Lord Wade smirked and said: "For example, in his affairs with Cynthia, Cynthia is his aunt,

but what about that? Cynthia didn't like him or respected his marriage, so he went to Aurous Hill.

Just bypassing him to meet Elaine, arguing with Elaine, and intervening in his marriage, Charlie can detain

her for more than half a month and let her suffer in Aurous Hill."

After speaking, Lord Wade shook his head and smiled with emotion:

"Oh! Cynthia has lived for forty to fifty years. He has not eaten anything in the forty to fifty years,

and he hasn't eaten any bitterness. The result is

. In my hand, I ate full in one go..."

As soon as the voice fell, Lord Wade's expression became serious again,

and he said: "But Charlie is a bit impulsive this time! How irrational is to act directly on the Banks Family!

Bank's family is only damaged by reputation and ocean transportation. , But other businesses are still operating normally.

For the time being, it hasn't been the time to break his muscles and bones, and he directly attacked Zayne.

Isn't this forcing the Wade Family to go to war

with the Banks Family?"

At this time, Thompson followed Lord Wade's words and said, "Master, if there really is a war, it's not impossible.

Anyway, the Banks Family has always been our biggest competitor.

Although we have lived together peacefully for 20 years, we will still turn our faces sooner or later in the future. . "

Lord Wade waved his hand and said in denial: "Even though it is said that, things can't be handled like this.

The contradiction between us and the Banks Family, to put it bluntly, is the contradiction of money,

the contradiction of interests, and the contradiction of status, but it is not a matter of life or death Contradiction,

we should fight against the Banks Family, not armed! And we don't have any advantage in fighting.

If the Banks Family is pressed to do something against us,

the trouble will be great."

As he said, he took out his cell phone and said: "I'll call Charlie first and ask what's going on."

At this time, Charlie was meditating and resting in Shangri-La.

Previously, he had consumed too much aura in Syria, which always made him feel more or less mentally regressed

, and he felt that he hadn't woken up.

He also wanted to follow the method mentioned in the "Nine Profound Heavenly Scriptures"

and try to absorb the so-called heaven and earth aura from around him, but what kind of heaven

and earth aura comes from this modern metropolis with iron

walls and iron walls?

Moreover, more than ten meters below the ground are underground garages and foundations, with very little soil, and even the green trees are transplanted from behind.

Such trees are meaningless even if they have a century old tree, because when these old trees are artificially transplanted,

their aura has suffered a huge loss. When transplanted into cities, the soil is shallow and the pollution is heavy.

It is good to be able to live. What kind of aura is there.

This feeling is like being thrown into the center of the Sahara Desert, with unobstructed bursting sunlight above my head

, and endless dry desert under my feet. Even the moisture in the air has long been evaporated to the extreme.

Isn't that a foolish dream to find water here?

When the phone rang, he opened his eyes from disappointment and frowned when he looked at the screen of the phone.

"Lord Wade?"

"It seems that the old man is here to ask the guilt."

Charlie hummed softly and pressed the answer button.

"Charlie!"

Lord Wade's voice came.

Charlie asked, "Anything?"

Lord Wade blurted out: "Charlie, tell the truth to your grandfather,

did you do the thing that Zayne disappeared in Aurous Hill?!"

Charlie gave a hum, and said calmly: "Well, I did it, what's the matter?"
