

The Amazing Son In Law (Charlie Wade)

Chapter 2759

2759

Lord Wade really didn't expect Charlie to admit it so simply.

This sudden magnanimity caught him by surprise.

After a while, he subconsciously sighed: "Charlie, you are confused!"

Charlie frowned: "Where am I confused?"

Lord Wade sighed: "You are so confused that you shouldn't start with Zayne!

Think about it, he is the eldest son of the Banks Family, and he disappeared in Shangri-La.

Can the Wade Family be left behind?"

Charlie asked back: "What? Lord Banks asked you?"

"Yeah!" Lord Wade looked sad, and said, "Lord Banks called me and yelled at me and said he was going to fight the Wade Family!

You know, our two have always talked and didn't do anything.

We broke the rules this time. , The Wade Family will definitely retaliate frantically, and if we make trouble,

we will be the ones who are in the wrong, and it will be difficult for us to stand up at that time!"

Charlie smiled: "You called just for this?"

Lord Wade heard the disdain in Charlie's tone, and said with a serious face: "Charlie, I know you have a bad temper,

and you don't want to bear it in many cases, but you still have to look at the overall situation!

Now start with Zayne, against the Banks Family. Without any substantial damage, this guy was completely

emptied by his father. He is a mascot. What's the point of tying him up? Instead, he gave the Banks Family a reason to target us!"

Charlie said calmly: "I didn't do it for the Wade Family, but to make him pay the price for the Anti-Leaf Alliance back then.

When he targeted my father, I would target him, and I didn't just tie him up. , When waiting for the ancestor worship ceremony,

I will take him to the grave of my parents in Yeling Mountain and kowtow to admit his mistake!"

Lord Wade was taken aback by Charlie's remarks, and blurted out: "You...you are trying to force the Banks Family to die with us!

If this is the case, I would rather not hold the ancestor worship ceremony this year than now. Fight with the Banks Family!

Originally, the Banks Family was very dissatisfied with the above. As long as we wait patiently,

the above will definitely gradually put pressure on the Banks Family. The Banks Family shifted their eyes from above, and the trouble will fall on us..."

Charlie sneered and said, "Master, don't be so scared.

This matter is not as complicated as you think, and you can rest assured that Zayne has been sent to Syria by me.

No one can find him, and I won't let him. The outside world knows his whereabouts, so it won't hurt you."

Lord Wade said helplessly: "Charlie, why do you think the problem is so simple? The person disappeared in Shangri-La,

even if you deal with it without showing any trace, we can't dispute it!"

Charlie smiled and said, "Father, what was the first question you asked me?"

Lord Wade asked in astonishment: "What was the earliest problem?"

Charlie said: "Just after the call was connected, the first question you asked me."

Lord Wade blurted out, "I ask you if you did the missing of Zayne."

Charlie snorted and said casually: "Oh, I didn't do it."

"Uh..." Lord Wade was speechless at once, and immediately said helplessly:

"Charlie, you are so boring... Lord Banks is not a kid either. If I tell him this, will he believe it?"

Charlie smiled and said, "He doesn't believe there is any way? You tell him that Zayne has never been to Shangri-La."

Lord Wade was helpless: "This...what's the point of this kind of kid-like sophistry?"

Charlie said sternly: "I'm not a quibble, it's the actual situation. Zayne never checked into Shangri-La.

The check-in information does not have his name, and there is no record of him entering the hotel on the monitor, understand?"

Lord Wade hurriedly asked him: "Did you erase all the surveillance video when he checked in?"

"No." Charlie said lightly: "When he first moved in, he was to get close to Ito Yohiko quietly, but he was afraid that the people

from Shangri-La would discover his true identity, so he asked the people under his hands to come over and open the room.

He disguised himself and moved in quietly, bypassing the surveillance, naturally leaving no check-in information."

"So, if Lord Banks asks you again, you just tell him directly, saying that you have checked the check-in information for the entire Shangri-La.

There is no such person as Zayne. If he is not convinced, you can ask him to show evidence

that Zayne has moved into Shangri-La. Come,

or let him go directly to the police."

After speaking, Charlie said again: "Then you can bite him again and ask him what he means,
