this kind of smoke bomb, right? It's more nonsense than there is no silver three hundred taels here..."

Just when Lord Banks was puzzled, Lord Wade called.

Lord Banks hurriedly connected, and blurted out, "Lord Wade, where is my son!"

Lord Wade said coldly: "Lord Banks, how do I know where your son is?"

Lord Banks cursed, "You f*cking play hooligans with me, aren't you?!

My son disappeared at your Shangri-La Hotel! You the f*ck told me you didn't know?"

Lord Wade immediately warned: "Lord Banks, don't fucking spit people! You said that your son disappeared at the Shangri-La Hotel.

I asked all the check-in information for Shangri-La to be checked.

There is no such three words as Zayne at all! Someone checked the surveillance video, and there was no footage of Zayne staying in Shangri-La.

I am seriously wondering if you, an old thing, deliberately troubled me? Did you let Zayne hide and then

The editor directed such a show, and then ran over to question me, want to go to war with me?"

As soon as Lord Banks heard this, he suddenly exploded, and he blurted out: "Stop the f*ck! Am I that boring?!"

Lord Wade sneered: "Who the hell knows you? Didn't the Japanese devils use this same reason in 1937?!

I didn't expect that after so many years, you will learn this old thing!"

"F*ck!" Lord Banks gritted his teeth angrily: "Lord Wade, you let your mother ass!"

"I fart?" Lord Wade said coldly: "Your son has never been to Shangri-La at all.

You are now running to question me, is this not a fault? But if your son does live in Shangri-La

, I will be speechless if you come to see me again. Can say, but has your son been here?"

"Your son hasn't even been here before, so you dare to frame me, believe it or not, I will call the police directly,

or we can just go to the people above and have a good theory in front of them to see who is doing the trick!"

Lord Banks was speechless immediately.

Only then did he remember that his son had gone to Aurous Hill quietly, and he had not said anything about it.

Moreover, when he checked in, he specially asked irrelevant people to open the room, and then he sneaked into Shangri-La

quietly under the cover of his confidant.

More importantly, he hasn't been out or showed up since he checked into the hotel.

It stands to reason that Shangri-La could not have known his existence.

"So how did Zayne disappear?!"

"Could it be...Is it really not the Wade Family's work behind this incident?"

"If it wasn't the Wade Family, who would it be..."

At this time, Lord Banks suddenly thought of his second son, James.

The second son, James, had disappeared at the Aurous Hill International Hotel, and the hotel had nothing

to do with the Wade Family.

Moreover, the one he was missing was also very strange, and he disappeared suddenly without leaving any clues.

In this way, the disappearance of Zayne really has the same effect...
