As soon as Xion left the words, Kairi Elms – Xion’s Mom was dumbfounded.

She imagined Charlie’s 10,000 possibilities for dealing with Zayne, but she never thought that Charlie would send Zayne to Syria.

At this time, Xion hurriedly reminded: “Mom, you must not have any idea of saving your dad...

Charlie has a feud with the Banks Family, and we have the favor of Charlie again. We can’t avenge our grudges if we say anything... “

Kairi Elms – Xion’s Mom shook her head and sighed:

“No, I won’t be in the muddy waters of the Banks Family again.

Moreover, the Wade Family not only has a feud with the Banks Family, but your dad also came forward to organize

an alliance against Charlie’s father. Young master can leave your dad a way to survive, which is already considered preferential treatment.”

After that, Kairi Elms – Xion’s Mom said again:

“If you leave, you will have to draw a clear line with the Banks Family in the future, and you must not repeat the same mistakes again.”

Xion said without hesitation: “Mom, don’t worry, I’ve already broken up with the Banks Family,

not just for the Banks Family. I will never forget the enmity that the Banks Family has done to me.

I will never forget if Master Wade needs it in the future. Stand next to Charlie and be the enemy of the Banks Family!”

Kairi Elms – Xion’s Mom nodded and said with emotion:

“Since the accident happened to you, the Elms family has drawn a clear line from the Banks Family.

From now on, the Elms family will serve the Charlie wholeheartedly. The enemy of the Charlie is naturally the enemy of the Elms family.

So if the Charlie and the Banks Family The Banks Family’s face was torn, and the whole Elms family would stand firmly beside Young Master Wade.

From this point of view, it is a good thing that your dad was sent to Syria by Young Master Wade. There is no need to stand on the opposite side of your dad.”

Xion asked hurriedly, “Mom, grandpa will definitely agree to cooperate with Charlie, right?”

"Of course." Kairi Elms – Xion's Mom said confidently: "Cooperating with Master Wade is definitely our Elms family's biggest opportunity, so your grandpa is absolutely impossible to refuse."

After all, Kairi Elms – Xion's Mom said again: "I will go back to Mocheng directly tomorrow and report the situation to your grandpa."

Based on what I know about him, he won't have any hesitation."

"That's good." Xion relaxed and said coquettishly: "Mom, after you have talked with grandpa and grandpa agrees,

you can quickly select ten people from tElms family and bring them over, and you can accompany me more... .."

"Okay!" Kairi Elms – Xion's Mom smiled lovingly: "Don't worry, Mom will come back as soon as possible."

...

At this time, Charlie, seeing that the time was approaching the evening, he called Isaac over and ordered:

"Isaac, you arrange for someone to prepare a car, and prepare a mobile phone that can't find any clues,

and you run Visit Zara banks's room and invite her and Aunt Deana over."

Isaac Cameron asked hurriedly, "Master, are you going to let them go?"

Charlie nodded and said, "I promised them. Later today, I will give them freedom and let them leave.

Then you will let them drive to the suburbs, and then give them the mobile phone. You need to worry about it."

Isaac Cameron hesitated for a moment, and said: "Master, I don't know if I should say something inappropriate."

"you said."

"Master, Zayne just disappeared today. The Banks Family is now looking for him everywhere.

If Zara banks and his wife are released now, the Banks Family will easily associate them with Zayne's disappearance.

By then, they will definitely think about it. Do everything possible to get Zayne's message from their mothers'

mouths, so I think it's better not to let them go, at least for a few more days..."

Charlie waved his hand and said, "Even if I let them go a few days later, the result will be the same."

After speaking, Charlie explained: "The news about their accident before was raging, and people all over the country are paying attention.

Moreover, when the car accident was so big, it is impossible for normal people to survive the two.

Therefore, once the two of them are alive Back to the public's vision, everyone will instinctively think that the people

who rescued them were very unusual."

After a pause, Charlie said again: "As for the Banks Family, they have now realized that there is an enemy with extraordinary strength in Aurous Hill ,
