and they have begun to send people to try to find my clues, even if they will be released after a while.

When their wives leave, the Banks Family will still associate the people who rescued them with the people who tied James and Zayne."

Isaac Cameron was silent for a moment, nodded lightly, and asked: "Master, what if Miss Zara and Ms. Deana reveal your identity?"

Charlie smiled and said: "I believe they will not, but everything is definitely not so absolute.

I want to play more with the Banks Family, but if they really leak me out, it doesn't matter. What can the Banks Family do?

What comes out is that Hongwu's dog farm has been almost expanded anyway. We have a place.

Besides, the mountainous area on the Syrian side is very sparsely populated.

It is also good to send the old dog of Lord Banks to help Hunter (Hamid) herding sheep."

Seeing that Charlie didn't worry that the Banks Family would know his existence at all, Isaac Cameron felt relieved.

He also believed that the Banks Family was definitely not Charlie's opponent.

As long as Charlie himself was not worried about exposure, he would naturally have no worries about being a subordinate.

Soon, Zara banks and Deana's mother and daughter were invited over.

Seeing them, Charlie said, "Auntie Deana and Miss Zara, it's almost evening. I've already asked people to prepare the car.

If you have no other problems, you can prepare to leave."

Zara banks asked with a sad expression: "Charlie, do you have a chance to meet with you in the future?"

Charlie smiled and said: "Of course, don't forget the agreement between the two of us.

When you become the Patriarch of the Banks Family,

I will personally go to the Banks Family to be happy.

Zara banks couldn't help asking: "Charlie, what if the Banks Family is going to be your enemy?

Will you also treat me as your enemy?"

Charlie shook his head and said seriously:

"As long as you don't do things against me, then naturally I won't regard you as my enemy.

I don't have enemies with every person surnamed Banks, but with My father's enemy only."

Zara banks breathed a sigh of relief, and said: "With such a sentence, I am relieved."

Charlie smiled slightly, looked at Deana again, and said seriously: "Aunt deana, you are my father's deceased.

If there is someone in the Banks Family who can't get along with you, you can come to me at any time."

Deana gratefully said, "Charlie, if there is any help from Auntie or Elms's family in the future, you must tell Auntie."

Charlie nodded and said, "Okay Auntie Deana, we have all left contact information for each other, please feel free to contact us if you have any questions."

Deana gave a hum, and then asked: "By the way, Charlie, after my aunt and Zara go back, if someone asks about our experience during this period, how should we answer?"

Charlie said: "If someone asks about your experience during this period,

you will insist that you have been seriously injured in the car accident and have been settled in the ward to recuperate."

"As for where the ward is and which hospital it belongs to, you don't know anything, or even the environment outside the ward."

"If someone asks who the doctor is, who the nurse is, and what they look like,

you will say that the doctors and nurses wear masks and are unwilling to reveal their identities."

"If someone asks why the doctor treats you, you say that they are all entrusted by a mysterious person."

"Then if someone asks why this mysterious person does this,

you can say that this mysterious person can't see Lord Banks's behavior inferior to the animals."
