you and Zara have been missing during this period of time,

and my dad is almost worried to death...”

Deana also burst into tears, stepped forward and hugged her father,

crying and said, “Dad, I’m sorry, I worried you...”

At this time, Zara also came to Deana, gently grasped Lord Thorne’s arm,

and sobbed: “Grandpa...”

Lord Thorne hurriedly hugged Zara lightly, and said excitedly:

“Good Girl, it’s okay if you’re fine, it’s fine...”

Zara looked at Dalton and Logan again, choked up and said,

“Uncle, Uncle... I worry about you...”

Dalton hurriedly said: “Silly Girl, what are you talking about?”

You and your mother are fine, even if your uncle threw it in for half my life..."

Lord Thorne couldn't help but ask the question he most

wanted to ask at this time: "Deana, where are you and

Zara during this time? Who saved you?"

Deana sighed and said sincerely: "Dad, this matter...

is really a long story. I don't know where to start for a while..."

Logan said at this time: "Dad, I think we should get in the car and go home first.

If we have anything to say on the road, we will go home and continue talking if we can't finish talking on the road."

"Yes, yes, yes!" Lord Thorne said hurriedly: "Said in the car!"

With that said, he took the initiative to open the rear door of the commercial vehicle and said to the mother and daughter:

“Get in the car, let’s go home first!”

Deana nodded and hurriedly said, “Dad, you go first.”

Lord Thorne pushed her gently and said, “You go with Zara first.”

Seeing this, Deana didn’t insist anymore, pulling Zara into the car first.

Immediately after Lord Thorne got in the car, Dalton drove away.

Seeing the commercial car go further and further away, Isaac Cameron in the dark breathed a sigh of relief,

took out his mobile phone to call Charlie, and said, “Master, Ms. Deana and Ms. Zaara have already met their families.”

Charlie breathed a sigh of relief on the other end of the phone,

and said, “In this case, I should also go home.”

After speaking, Charlie said again: “Isaac, you have worked hard from yesterday to now.

Let’s take a good rest these two days!”

Isaac Cameron smiled slightly and said: "I just followed you for a lap in Syria,

and I wasn't tired at all. It's the master of your mind that

you bothered for these two days."

Charlie smiled and said, "So I also plan to take a two-day rest."

Isaac Cameron hurriedly said, "Master, it seems that your birthday is just around the corner.

Do you have any plans?"

Charlie hummed, and said, "Don't say anything about birthdays.

Just that day, my Friend came over to have a concert.

I will accompany my wife to a concert with her, as it is a birthday celebration."
