

The Amazing Son In Law (Charlie Wade)

2790

So, he subconsciously took out his phone and called Lord Banks,

who was anxiously looking for Zayne's whereabouts.

Lord Banks was bored at this time.

His eldest son, Zayne, has been missing in the morning for more than 12 hours.

In these 12 hours, he did not find any valuable clues.

Zayne, just like his younger brother James, seemed to evaporate directly from the world.

Although the Wade Family was very suspicious,

Zayne himself was self-defeating and gave the Wade Family an excellent reason to throw the pot,

so that he did not dare to continue to pressure the Wade Family.

At this moment, Fitz called.

He got on the phone a little irritably, and asked, "Fitz, have you found a clue to your dad?"

Fitz was surprised, and subconsciously asked: "Grandpa,

what are you talking about? Looking for clues to my dad?

What's wrong with my dad?!"

Only then did Lord Banks realize that since Zayne's accident,

he hadn't been informed of Fitz during the whole day.

Therefore, although Fitz was in Aurous Hill, he had no idea that his father had disappeared.

So, he sighed: "Fitz, there is bad news, your dad is missing..."

"What?!" Fitz was dumbfounded, and blurted out: "Grandpa, you...

what do you mean? My dad is fine, why did he suddenly disappear?"

"I don't know." Lord Banks said truthfully:

“Your father used to hide his identity and live quietly in Shangri-La in Aurous Hill.

He was going to find a chance to meet Ito Yuhiko of the Ito family, but suddenly there was no news this morning.

All of his men are missing.”

“Ah?!” Fitz felt black in front of his eyes,

followed by a dizziness in his brain, and he almost vomited out.

“How could this be...” Fitz muttered to herself blankly.

Lord Banks said helplessly: “The whole thing is very strange.

I haven’t found any valuable clues yet. However,

I suspect that it has a lot to do with your second uncle’s disappearance.

Maybe it was done by the same person, and There should also be a certain relationship with the Wade family.
