After all, your father had an accident in the Wade family's hotel, and Aurous Hill is the Wade family's sphere of influence."

Fitz hurriedly asked: "Grandpa, could it be the Wade family?"

I remember that when my second uncle had an accident,

He was always with him, and the other party could get my second uncle away under

nose. , Wade family shouldn't have such a master, right?"

Lord Banks sighed: "Hey...this is something I haven't figured out yet.

It seems to be inseparable from the Wade Family, but when you think about it,

it seems that the Wade Family doesn't deserve to have such a powerful strength..."

After speaking, he said again: "But I have sent someone to look for it.

I will find clues at all costs. You will wait patiently for my news in Aurous Hill.

If you have any channels, you can also inquire in Aurous Hill. See if there are any notable clues.”

“Okay...” Fitz was upset, and subconsciously agreed.

At this time, Lord Banks said again:

“Knowledge,

I have a headache, so I won't tell you anymore.

I will keep you updated on any progress.”

Fitz whispered absent-mindedly: “Okay grandpa, then you should

rest well and take care of your body...”

As he said, he suddenly remembered what grandpa said,

and hurriedly said, “Grandpa, don't hang up the phone!”

Lord Banks asked him: “What's the matter? Are you okay?”

Fitz hurriedly said: “My grandfather just called me, and he said that my

mother and my sister have returned!”

“What?!” Lord Banks immediately exploded, and blurted out

“Your mother and your sister are back? What do you call back? Where did they go?!”

Fitz hurriedly said: “My grandfather didn’t say anything specifically,

but someone else was in Aurous Hill.

Just now they called me and asked me to go back quickly.

I guess my mother and Zara should have returned to Thorn’s old house in Aurous Hill.”

Lord Banks turned up the stormy sea in his heart and blurted out:

“How is this possible? How the hell is this possible...”

As he said, he hurriedly asked: “Fitz, where are you now?!”

Fitz hurriedly said: “I am at the Aurous Hill Olympic Center, and I am

going to go back to the old house to have a look!”

Lord Banks blurted out, “Go! Go and see what’s going on!”
