

The Amazing Son In Law (Charlie Wade)

2792

After hanging up the phone, Lord Banks felt black for a while.

Banks (Butler) on the side hurried forward and asked cautiously:

“Master... Deana and Miss zara, have really returned to Thoren’s house?!”

Lord Banks rubbed his temples, nodded weakly,

and sighed, things seem to have gone to the worst...”

butler asked quickly: “Master, why are you saying this?”

Lord Banks sighed: “Hey...All of this is extremely consistent with my worst assumptions before.

Things have begun to develop in the direction I least want to see.

The Banks Family is really going to be in big trouble this time!”

Banks (Butler) asked in surprise: “Master...

Have you previously guessed that their wives will be fine?”

“Yes...” Lord Banks rubbed his temples and said feebly:

“I thought that even if their wives were rescued,

it would be difficult for them to survive such a serious car accident.

Maybe when the other party took them away,

There are already two corpses, but they did not expect that they

would actually survive, and the other party put them back.

This proves that the mysterious person behind not only has hands and eyes open to the sky, but also stood by their wives. ...”

Banks (Butler) asked again:

“Then...Is this mysterious person related to the disappearance of the young master and the second young master?!”

Lord Banks nodded: "There must be a relationship!"

Banks (Butler)'s expression was shocked, and he said:

"Master, we have investigated Aurous Hill before.

Aurous Hill has nothing to do with Crouching Tiger, Hidden Dragon.

It is nothing more than a few local companies and families, and Isaac Cameron from the Wade Family.

In terms of size, how could it be possible to cultivate such a powerful person?

Even the Wade Family does not have this ability.

If the Wade Family really has this ability, after Bruce's death, they will not be crushed and beaten by the

Banks Family for so many years. Up!"

Lord Banks's expression was dignified, and he said coldly:

“I now suspect that this mysterious person is not from Aurous Hill at all,

and may not even be from China!”

“What?!” Banks (Butler) was even more horrified: “It’s not from China?

Where would it be? Is it from abroad?! It can’t always be the Rothschild family?

The Rothschild family hates the Wade Family.

Yes, in this case, they will never be able to deal with us, because once our strength is weakened,

the Wade Family is bound to be strengthened...
