

The Amazing Son In Law (Charlie Wade)

2795

Just when Fitz drove back to the Thorn's old house, and Banks (Butler)

set off for the airport overnight, the Thorn's old house at this time

had become a sea of joy.

The brothers and sisters of the Thorne Family have been cultivated to

be exceptionally united under the guidance of their father since they were young.

In fact, regardless of whether brothers and sisters are close relatives,

in the final analysis, in most families with children,

it is difficult for the relationship between children to be absolutely intimate.

Especially when the children are all grown-ups, and after their respective families start their own businesses,

the big family with brothers and sisters is naturally less important than

the small family with wives and children.

Therefore, in real life and in the TV news, we can often see that brothers and sisters turn their

faces because of the fight for family property, or quarrel and even fight because of parental issues.

Moreover, this is not only true of the poor, but even more so for the rich.

However, the brothers and sisters of the

Thorne Family are really twisted into a rope.

Deana had an accident, and her brothers and sisters put aside everything

in their hands, regardless of all costs, just to find her and her daughter.

Now that their wives finally return safely, these brothers and sisters are naturally extremely happy!

The eldest sister Allie had asked the chef to cook a new table,

and she was waiting for her sister and niece to come, and the family had a

good celebration.

But when their wives came back, Allie couldn't even bother

for a meal, and she hugged her safe sister, and suddenly burst into tears.

The family gathered around the mother and daughter and asked questions.

The questions were also very concentrated.

They just wanted to know who took them away after they had a car accident in the tunnel. Where did he go after he was taken away?

And they must have been seriously injured in the car accident,

so who on earth was healed the injury?

Deana faced the problems of his family and lied against his will:

“Actually, Zara and I still don’t know who saved us.

After a car accident, we were almost unconscious when we woke up.

We are already lying in a ward, and we can’t see anything related to

the name of the hospital in the ward.

The doctors who came to treat us also wore masks and couldn’t

recognize who it was.”

Dalton hurriedly asked her: “Then have you remembered the surrounding environment, for example,
