

## **The Amazing Son In Law (Charlie Wade)**

**2801**

**Elaine heard Jacob say that her calf was still pumping pain,**

**and immediately frowned and asked: “Jacob, did you go for**

**a run with me behind?”**

**Jacob retorted, “What does it mean to carry you on your back?**

**If I take a walk, I have to report to you?”**

**Elaine snorted coldly: “Half of his body is buried in the loess.**

**What are you still running for? What do you do for running?**

**Do you want to rejuvenate your second spring?”**

**Jacob said impatiently: “Does it have anything to do with you?**

**What are you doing so much?”**

After finishing speaking, he glanced at the crutches placed by the dining table beside Elaine, and sarcastically said:

“Why, your legs are not working well, so you are not allowed to go out for a walk?”

Charlie heard it loudly, and said:

“Dad, Mom, you two should say a few words, don't let the needle point to the Maimang, no one will let anyone else.”

Claire said while cooking the noodles, without looking back:

“My husband, you don't know how I got through this meal.

They have been pinching here for more than an hour, and I can't persuade them. It's...”

Elaine said angrily at this time: “I didn't mean to find him Jacob's fault.

The point is that this guy is too irritating. My worst thing is this leg.

I broke it twice. He doesn't care about me at all. Forget it, who is still being ridiculed here, who are you bullying?”

Jacob said coldly: “What does your broken leg have to do with me?”

I didn’t break it for you. Besides, you have been talking with me for a long time,

and you didn’t mention your leg at that time. Son, don’t engage in moral kidnapping here.”

Elaine said desperately: “I am morally kidnapped?”

Jacob, you are really discouraged! You forgot that you were paraplegic when Jason Grant

arranged someone to drive you into a high paraplegia.

How did I serve you in the hospital? I was busy doing it for you. If you’re busy, will you leave me alone?”

Jacob said disdainfully: “When I don’t know? When I was injured,

who was busy looking for a genius doctor?”

With that, Jacob pointed to Charlie next to him, and said loudly:

“My good son-in-law Charlie found it for me! If it weren’t for him,

**I would still be lying on the bed now.”**

**Immediately afterwards, Jacob looked at Elaine and asked:**

**“You said you were busy, what are you busy with?**

**Are you busy cheating your girl’s cheque?**

**You think I don’t know?”**

**“Don’t fart!” Elaine was exposed, and suddenly shouted: “Which eye did you see me cheating my girl?”**

**Jacob curled his lips and said, “Pretend, right?**

**At the beginning, I was cured by the genius doctor .**
