**2802**

**The doctor said that I would be hospitalized for another two days of observation and pay less hospital fees.**

**What happened? You just took away the girl's check Yes, if I remember correctly, the amount on the**

**check is at least 170,000 yuan, right?"**

**Elaine suddenly didn't know how to refute, her expression was green and white.**

**Jacob sneered at this moment: "If I learn from you, after you break your leg, the first thing I do is ask a girl to swindle some money.**

**But Jacob is not that kind of person. We are a qualified person. , Understand?"**

**Elaine was anxious. He picked up the crutches and smashed Jacob on him.**

**He cursed and said, "Quality? I will let you talk about the quality and see if I don't interrupt your leg!"**

Charlie hurriedly stopped her and said with a bit of annoyance:

“Oh, it’s okay! You can’t say it, right? You two will perform the martial arts at home as soon as you get home.

Don’t forget that Claire and I are still there. .”

When Elaine saw that Charlie was a little angry, she hurriedly laughed and said,

“Good son-in-law, don’t be angry, it’s not against you, it’s all against Jacob’s dog.”

Jacob originally wanted to fight her a few more words,

but Charlie seemed to be upset when he thought about it,

so he simply sat a little farther and muttered: “I don’t know what you do.”

Elaine stared angrily, and Charlie said directly at this moment: “It’s OK, mom,

don’t be here and don’t let it go, so be it, you must be annoying to recuperate at home these days,

or I will let tomorrow My friend prepares a VIP card for you at Shangri-La.

From now on, you can go to Shangri-La to have a SPA every day, so you can just relax and unwind.”

As soon as Elaine heard this, her brows were instantly delighted,

and she cheered and said, “My god, son-in-law, are you true?

I heard that the spa at Shangri-La is the most expensive and high-end SPA in Aurous Hill.

Just do it. It costs thousands or tens of thousands of dollars to order any item!”

Charlie smiled and said: “Shangri-La is the best hotel in Aurous Hill after all.

Spas are all integrated with the hotel. Naturally, the grade cannot be low, but the money is not a problem.

Their President isaac happens to be my client. , I can ask for an internal price even if I go to him, maybe I can get a free one.”

**“Oh, that’s great!” Elaine was very excited, and said excitedly:**

**“Good son-in-law, then you will help mom to contact you tomorrow morning? Mom is really tired of staying at home these days,**

**if I can go to a SPA sooner. Relaxation is not only good for physical and mental health, it might also be helpful for the recovery of my legs!”**
