

## The Amazing Son In Law (Charlie Wade)

2803

Charlie nodded and said, "I'll help you ask, but the premise is that you don't quarrel with Dad anymore."

Elaine said without hesitation: "Good son-in-law, don't worry,

I don't bother to be familiar with him. From now on, if I look at him directly, Elaine will lose!"

Charlie did not delay, immediately took out his mobile phone,

sent a WeChat voice to Chen Zekai, and said: "Mr. Isaac, please do one thing, my mother-in-law

wants a SPA VIP card for Shangri-La, can you arrange it?

Now, it's best if all projects are free."

Chen Zekai replied with a message almost in seconds: "Master

wade, VIP cards are all trivial matters.

Wait a moment, and I will personally send you home.”

Charlie said: “Mr. Isaac, you don’t need to go there in person, just arrange

for a subordinate to send it over.”

Chen Zekai hurriedly said: “Master Wade, you are welcome, I just want to go out to do something,

passing by Tomson Yipin, I will deliver it immediately.”

Charlie knew that he definitely couldn’t be on the way, but when he saw that he insisted on sending it in person,

he didn’t insist on it, and said to him, “Thanks for your hard work, Mr. Chen.”

“Master Wade, you are polite.”

When Elaine heard this, the whole person flushed with excitement, and said excitedly:

“Mom,

my son-in-law just has face, dear, Chen Zekai from Shangri-La will personally give the VIP card to this call.

**It's incredible!"**

**After finishing speaking, she hurriedly asked Charlie: "Good son-in-law,**

**can this card be used casually without spending money?"**

**Charlie smiled slightly: "It should be, the details will not be known until President Isaac arrives."**

**Elaine was already so happy that he flew up, stretched both hands to the left and right for a while,**

**still not forgetting to throw a wave-like curve, and said with joy:**

**"The SPA at Shangri-La is generally not available for people to go to once a year.**

**If I can have a free VIP card, I will go every day from now on.**

**I will simply go after dinner every morning and come back in the evening!"**

**Jacob curled his lips and said, "You can just move over and live."**

**Elaine stopped quarreling with him, and said with a smile:**

**“Do you think I don’t want to? If you are the only old bastard in the house,**

**I will definitely move in and live there and not come back.”**

**After she finished speaking, she changed the conversation and said with a flattering smile:**

**“But there are still my good son-in-law and my good daughter at home, don’t say anything else,**

**I have to make breakfast for my good son-in-law every day,**

**so it’s like you. Just knowing to reach out and open your mouth,**

**I have never seen you do anything for a good son-in-law!”**
