

The Amazing Son In Law (Charlie Wade)

2806

Charlie couldn't help but praised as he ate, "My wife, what you do here is really great! Why didn't you know that you still have such a good craft!"

Claire said with some shame: "In the past, you used to cook, and I rarely get started with the kitchen.

Since you like it, I will find opportunities to cook for you often in the future!"

Charlie nodded lightly and smiled: "That's great! But my wife, don't be busy cooking too often. Isn't the Emgrand Group's projects very busy?"

It's better to take care of your career. "

Claire hurriedly said, "I will arrange the adjustment, so don't worry!"

After speaking, he said: "You eat quickly, if there is not enough, there will be noodles in the pot."

“Great!”

Charlie ate two large bowls of noodles and wiped his mouth,

with a satisfied expression on his face:

“The noodles made by my wife are really the best I have ever tasted!”

Claire smiled sweetly and comfortedly, and said,

“Next time I will make you some other braised meat to taste!”

Charlie smiled and said, “It’s good to dare to love.”

As he was talking, the doorbell rang suddenly.

Elaine reacted first and said excitedly:

“Oh! President Isaac must have come to give the VIP card,

I’ll open the door!”

After speaking, the person ran out.

Charlie stood up and said, “I also go out and have a look.”

Claire said to Jacob, "Dad, there are guests at home,

let's go to the living room and say hello together."

"Okay." Jacob also wanted to meet Isaac Cameron,

so he quickly walked out behind Charlie.

As soon as the three of them arrived in the living room,

Elaine had already opened the door over there, and it was indeed Isaac Cameron who came in.

At this time, Isaac Cameron said very politely: "Hello, ms. Elaine, I am Isaac Cameron from Shangri-La."

Elaine was so excited that she hurriedly gave up space,

made an inviting gesture, and said with a smile: "Oh, President Isaac, please come in, please come in!"

Isaac Cameron quickly said, "Then I will disturb you, ms. Elaine."

With that said, as soon as he stepped in, he saw Charlie walking over,

so he hurriedly said respectfully: “Master Wade!”

Charlie nodded slightly, and said, “It’s really embarrassing for you to have a hard time running.”

Isaac Cameron was flattered and said: “Where are you, don’t be so polite with me.”

As he said, he quickly took out two Shangri-La customized premium envelopes from his pocket,

handed them to Charlie’s hand, and respectfully said:

“Master Wade, these are two Shangri-La unlimited SPA VIP cards,

which are for ms. Elaine. And a little caution from Mrs.!”
