**“That’s it...” Jacob coughed and said: “Our Aurous Hill Painting and Calligraphy Association recently wanted to hold a painting exhibition.**

**The venue has not been determined. Originally, we wanted to go to Zhenbao Pavilion.**

**However,**

**there was a kidnapping and bombing case in Zhenbao Pavilion some time ago.**

**After the incident, the citizens were a little panicked there. If you still choose the Jumbo Pavilion,**

**I am afraid that no one will watch it then, so I don’t know if there is a suitable venue for Shangri-La to cooperate with?”**

**Isaac Cameron smiled and said: “No problem,**

**we have several banquet halls in Shangri-La, and there is also a sky garden.**

**If you don’t have time, you can simply take out the sky garden for your use.”**

Jacob said excitedly: “Oh, didn’t Sky Garden say that it’s wrong to outsource the field?

If you choose that, will it cause trouble to President isaac?”

Isaac Cameron hurriedly said: “There is nothing to trouble you.

The sky garden is large and decorated in a high style.

It will definitely support the quality of the exhibition. MR. Jacob doesn’t need to be so polite!”

Jacob suddenly said with excitement, “Oh! Thank you Mr. isaac so much for that!”

After he finished speaking, he asked somewhat without a bottom line:

“By the way, President isaac, do you know if there is an approximate amount for the cost of this sky garden?”

Isaac Cameron smiled and said, “MR. Jacob, I heard that you are now the executive vice president of the Painting and Calligraphy Association?”

Jacob smiled embarrassedly, and said: “It’s just a false job, not worth mentioning, not worth mentioning...”

Isaac Cameron said earnestly: “It’s already great to be able to sit in this position, MR. Jacob doesn’t have to be so humble.”

As he said, he said again: “Since MR. Jacob is the executive vice president of the Calligraphy and Painting Association,

then this matter is my own business.

Time tells me that I have people prepare the venue for free use by the Calligraphy and Painting Association.”

Jacob was pleasantly surprised: “Mr. isaac, you really helped us a lot...”

To be honest, our Painting and Calligraphy Association has been relatively tight recently, and this cost has been compressing...”

Isaac Cameron directly took out a business card,

handed it to Jacob, and said with a smile: “In the future, if the Calligraphy and Painting Association needs a venue for any activities or

even sponsorship, MR. Jacob can contact me directly.”

“Oh, thank you so much!” Jacob was flattered and thanked him repeatedly.

At this time, Isaac Cameron looked at the time and said,

“Oh, by the way, Master Wade, I still have something to do,

so I won't bother too much.”

Charlie nodded and said with a smile: “Then I'll give it to you.”

Elaine said with a flattering expression:

“Oh, Mr. isaac, you can be regarded as knowing the door this time. You must come often in the future!”

Isaac Cameron said hurriedly and politely:

“Okay, Master Wade and Madam Elaine, please stay, I can just go by myself.”
