**and her sister in Kyoto, Japan!**

**Thinking of this, Fitz suddenly became nervous!**

**“That En gong is a top-notch expert with superior strength.**

**He can easily kill several top ninjas by himself, but he is unharmed.**

**This kind of strength is almost impossible for the Banks family to resist...”**

**“If he really saved Mom and Zara, it would prove that he himself was in Aurous Hill!**

**In this way, there will be an answer to the disappearance of the second uncle and the father. Apart from him, there is no second possibility...”**

**“If this is done, even though he has saved Mom and Zara, he is likely to stand on the opposite side of the Su family...”**

**So, Fitz decided to set out more details.**

He sighed slightly at this time, looked at Zara, and said with some disappointment: "Zara, we grew up together, and our relationship has always been very good, and we also experienced life and death in Japan together.

I'm an older brother. , There are 11 million in your heart for your good,

what can you hide from me?"

When Zara heard this, she couldn't help feeling a little guilty,

and her tone of voice became even more bottomless,

and she said, "Brother...I don't have..."

Fitz asked her: "Are you really a fool? I haven't seen you for so many years?"

You are in this state, obviously you are lying."

As he said, Fitz said helplessly: "Hey, what do you want to hide from me when you say this, the benefactor is not only your benefactor,

he is also my benefactor, mine He saved his life, I know you want to repay him, and I want to repay him!

If he really saved you and mom this time, then the Banks family owes him four lives.

If I have a chance, I must kneel and thank him face to face,

but you keep covering up here, don't I even have a chance to thank my benefactor face to face in the future?"

Zara's psychological defense was suddenly defeated.

Because she didn't realize that her brother Fitz had already begun moral kidnapping.

All of a sudden, she was caught in a dilemma.

On the one hand, he promised Charlie not to reveal his identity;

But on the other hand, my brother seemed to have guessed the outline

of the matter, and he said that he didn't know how to refuse.

After thinking about it, Zara felt: "Since my brother has guessed this,

then I will affirm his guess, so that he will not feel upset.

**As for more information about Benevolence, I will not disclose it.”**
