

The Amazing Son In Law (Charlie Wade)

2825

At this time, Kairi Elms – Xion 's Mom did not rest.

She and her daughter lay on the bed of the Shangri-La Hotel in Aurous Hill and kept chatting.

Kairi Elms – Xion 's Mom was in a very good mood at this time.

This is something I haven't had in so many years.

To her today, it was more unexpected than God's favor and Bodhisattva's blessing.

The daughter is still alive, and her cultivation has made a huge breakthrough,

and she has even become the first person in the Elms family in a century.

Even the handicapped myself got a great opportunity.

Moreover, Charlie also promised to give the Elms family five pills and 100 million yuan a year.

This is definitely the most rare and precious opportunity for the Elms family in hundreds of years.

Originally, she couldn't wait to rush back and tell her father.

But, after all, I haven't seen my daughter for so long,

it's almost a parting experience.

Therefore, she intends to stay in Aurous Hill to accompany Xion tonight,

and return to Mocheng tomorrow morning.

After all, before the mother and daughter, there are too many thoughtful things to say.

At this time, Xion was vividly depicting with his mother the situation when Charlie rescued himself at sea.

Kairi Elms – Xion 's Mom looked at her daughter's expression of excitement like a

girl, and she couldn't help feeling: "This Charlie can turn her unsmiling and extremely cold daughter into

the appearance of this cheerful and shy girl today.

The charm is so great. One can't imagine..."

"However, this is good for Xion .

She was too cold before. She was trained to become a cold-blooded killer in Banks's house.

She was completely reduced to a killing machine.

She can see her recover what a normal girl should have. Looks like, I'm much more relieved as a mother..."

At this moment, Kairi Elms – Xion 's Mom's cell phone rang suddenly.

She smiled and said to Xion : "Xion , pass mom's mobile phone to mom."

Xion hurriedly stretched out his hand, took off the charging mobile phone from the bedside table,

looked down, and found that the name of the call was his father, and suddenly

said in surprise: “Mom, grandpa is calling!”

“Really?” Kairi Elms – Xion ‘s Mom said hurriedly: “Your grandpa must have something important to call so late

. Give it to me.”

Xion nodded and reminded: “Mom, don’t forget that we promised Charlie not to disclose my situation to

the outside world. Don’t miss it later!”

Kairi Elms – Xion ‘s Mom solemnly said: “Don’t worry,

mom knows it, don’t talk.”

After speaking, she answered the phone and asked, “Dad,

what’s the matter for calling so late?”

Lord Elms (Wilfred) said embarrassingly: “Kairi Elms ... there is something, dad has to tell you, don’t be angry after you hear it.”

Kairi Elms – Xion ‘s Mom hurriedly said,

“Dad, please tell me.”

**Lord Elms (Wilfred) coughed twice, and said:
“Ahem...That’s it...Tonight, Bank’s Butler
suddenly came to Mocheng...”**

**“Bank’s Butler?!” Kairi Elms – Xion ‘s Mom
frowned and asked:**

“What is he going to do in Mocheng?!”
