**Lord Elms (Wilfred) didn't understand why Kairi Elms – Xion's Mom said that.**

**He was very surprised and asked: "Kairi Elms – Xion's Mom, what's wrong with you?"**

**Why do you start talking nonsense?**

**You said that the whole Elms family may not be better than one person. I want to ask you, who is so powerful?**

**Is it just that? Is that Master Wade?"**

**Kairi Elms – Xion's Mom said seriously:**

**"Dad, I'm really not talking nonsense.**

**We used to have a narrow vision and thought that martial arts is the top strength.**

**This is a big mistake. In fact, the martial arts we regard as standard, in the eyes of people of higher realms,**

**Maybe even ants are not as good as..."**

**"As for Master Wade, I can't talk to you too much on the phone,**

but I can tell you for sure that Master Wade is definitely not in the pool.

The best way out for our family in the future is to cooperate with him in time!”

Lord Elms said in full bloom, “What kind of cooperation conditions did the Wade Family Master give us?

Can we give the Banks Family as much as 2 billion a year?”

Kairi Elms – Xion’s Mom said, “Master Wade gives us 100 million yuan a year for the Elms family,

and some training resources that can’t be bought for 2 billion yuan.”

“One hundred million?” Lord Elms (Wilfred) snorted: “This little money is to send beggars?

Besides, what do you say about cultivation resources that can’t be bought for two billion?

What is it? Is it a medicinal material worth more than two billion? “

Kairi Elms – Xion’s Mom said with certainty:

“Yes! According to my personal estimation,

these drugs are worth at least several billions, or even several billions may not be available!”

Lord Elms (Wilfred) hurriedly asked: “What kind of medicinal materials are they?

Tell me about it!”

Kairi Elms – Xion’s Mom said, “They are five medicinal pills with excellent effects.”

“What?” Lord Elms (Wilfred) was stunned: “Five pills?

Are you sure it’s five pills, not five trains?”

Kairi Elms – Xion’s Mom said earnestly: “It is indeed five pills.

The effects of these five pills are extremely good, beyond imagination!”

Lord Elms (Wilfred) listened and smirked: “I really can’t think of any pill that can be magical to a value of four hundred million!

Do you know how many rare medicinal materials can be bought for two billion?

Five trains are a bit exaggerated, but There is always a full train,

but it is thousands of tons of precious medicinal materials! It can make a large amount of Qi San and Body Soup,

enough for the young generation of our family to use at will! It doesn't

even matter if you eat it!"

Kairi Elms – Xion's Mom shook her head and said,

"How about Buqi San and Xingtai Decoction even if they are really eaten?

After ten years, it may not be worth a pill."

Lord Elms (Wilfred) said with a bit of anger in his voice: "Kairi Elms – Xion's Mom,

I know you are unwilling to accept that the Elms family will cooperate with the Banks Family again,

but you should not deny the ancestors of the Elms family because of your personal emotions.
