**You have to listen to me anyway. After the report, I will only make a decision!”**

**Lord Elms (Wilfred) said earnestly: “Kairi Elms – Xion’s Mom, now is not the time to be arrogant,**

**we must take the overall situation into consideration.**

**We must make the Elms family go higher and farther, and not be blinded by a bit of hatred!”**

**Kairi Elms – Xion’s Mom was a little anxious, and blurted out:**

**“Dad! What I want to say has nothing to do with Xion.**

**It is completely because the conditions given by Charlie are much better than those of the Banks Family!**

**If you can believe it. I, just wait until I go back to make the final decision!”**

**Lord Elms (Wilfred) said embarrassedly: “But I have promised Bank’s Butler that the bus may**

stop at Elms's door at ten o'clock tomorrow morning.

If I delay for no reason, wouldn't it be because I've hit Old Man Banks's face, if he gets angry, The whole Elms family is affected!"

Kairi Elms – Xion's Mom didn't expect that his father would turn around so easily, and for fear of offending Lord Banks,

he was angry and anxious, and blurted out:

"Okay! Then I will set off and go home.

I should be able to get home before dawn. I will tell you by then.

Clarify everything!"

When Lord Elms (Wilfred) heard this, he thought to himself:

"If Kairi Elms – Xion's Mom can come back before dawn,

in any case, it won't affect the original plan, it doesn't hurt."

So he opened his mouth and said: "If this is the case, then you come back as soon as possible.

If you have anything, let's say it in person.

“Okay!” Kairi Elms – Xion’s Mom gritted her teeth and said: “Then I will start!”

After that, she hung up the phone and said to Xion next to her: “Xion, mom has to go.”

Xion asked hurriedly, “Mom,

Grandpa insists on cooperating with the Banks Family?”

“Yes.” Kairi Elms – Xion’s Mom said helplessly: “Bank’s Butler went to Mocheng and gave you a public price of 2 billion.

Your grandfather has already promised.

I will bring my family over at 10 o’clock tomorrow morning.

You have to go back to see him before he leaves and tell him what happened to Master Wade.

The most important thing is to give him the pill given by Master Wade and let him personally decide.”

As he said, Kairi Elms – Xion’s Mom sighed: “Your grandfather...

is still too convinced of what he knows.

In his eyes, the Elms family's internal boxing method, the Elms family's Qi San and Awakening

Tang are all martial arts. The high quality on the way, the pride of the Elms family, and the foundation for survival, but he doesn't even know that these are not worth mentioning in front of Young Master Wade's pill!"
