cooperate with Mr. charlie after seeing the pill given by Charlie.

I will come back to Aurous Hill again. In that case, we can meet every day!”

“Yes!” Kairi Elms touched Xion’s face and said lovingly:

“You are here waiting for mom, and mom will come back as soon as possible!”

“Great!”

...

When Kairi Elms hurried back to Mocheng, Bank’s Butler had already told Lord Banks that the

Elms family had agreed to re-cooperate.

Lord Banks breathed a sigh of relief when he heard that the Elms family could go to Suhang with

his family tomorrow morning.

Although the strength of the Elms family may not be able to match the mysterious master, at least it makes him a little safer.

I can also have more energy to think about how to mediate with my granddaughter Zara.

After all, that person had saved Zara twice.

If Zara is able to protect himself, then his safety will be a

little more guaranteed.

So, after he praised Bank's Butler, he immediately began to arrange a special plane.

There are more than 100 people in the Elms family,

and a medium-to-large passenger plane can transport them all at once. As for the bus,

I am afraid that at least four buses must be prepared, and one or two more trucks

will be required to transport luggage and materials.

Lord Banks arranged for his subordinates to prepare passenger planes on the one hand, buses,

trucks and other vehicles on the one hand, and strive to set off from Mocheng with his family at ten o'clock tomorrow.

In this case, you can reach Southaven before dark.

At this time, Lord Elms (Wilfred) didn't dare to delay tomorrow's plan.

He had already started to inform the whole Elms family and began to pack his own luggage.

The whole Elms family suddenly became busy late at night.

Bank's Butler stayed in the guest room, listening to the sound of people moving around, listening to the movement of things in the next room,

and felt very satisfied.
