

The Amazing Son In Law (Charlie Wade)

Chapter 2880

Fitz has been busy with concerts in the venue recently. He ran out to supervise the work early in the morning,

so although he saw the news that his sister was going to engage in a press conference, she never asked her what he planned.

Therefore, he said to Lord Banks: "Grandpa, I happened to be busy with something today, and I haven't had time to talk to Zara.

Why don't you wait for me for a while, I'll call her and ask her."

Lord Banks blurted out: "Don't call, there are many details on the phone that are undetectable, so you should go back and talk to Zara in person.

It is best to bypass your mother and your grandpa and ask in private. You, ask exactly what she intends to do, and I have to make preparations here too."

Lord Banks was really afraid that Zara would directly target himself at the press conference.

People outside scolded themselves, it was a group of dragons without a head, one person spitting.

But if Zara takes the lead in scolding himself, then there will be a very clear way to vent the anger of hundreds of millions of people across the country.

At that time, I am afraid that someone will take the banner to the street to scold him.

Fitz sensed that his grandfather was very nervous about this, so he hurriedly said: "Okay grandpa,

I'll be back now, I will report to you as soon as there is progress!"

Lord Banks exhorted: "I'm not just asking you to inquire about Zara's thoughts.

You have to find a way to persuade her to let go of her hatred. You have to let him know that she is from the Banks Family,

not from the Thorne Family. She and Banks The family is a whole, and everything is prosperous, and everything is damaged.

Now the Banks Family's internal and external difficulties can no longer be consumed by itself!"

Fitz hurriedly said: "I know Grandpa, don't worry, I will try my best to persuade her!"

“Okay...” Lord Banks said dejectedly: “You must do your best to persuade her to handle this matter gently!

As long as you can persuade her, Grandpa will not treat you badly!”

Hearing this, Fitz agreed with excitement, and drove home quickly.

In the Throns’s old house, Zara shut herself in her room and is preparing the manuscript for tonight’s press conference.

Tonight’s press conference is the beginning of her three-year plan.

It is of great significance to herself, so she can’t make any mistakes.

Fitz knocked at the door and asked, “Zara, can I come in?”

Zara heard her brother’s voice and her expression was a little cold.

She has been speculating for the past two days that the private relationship between her brother and grandfather Lord Banks may be very close,

and even his heart may have completely fallen to his grandfather.

But she has no evidence to prove it.

Therefore, today is actually her test of Fitz.

She knew that Fitz went to the venue early in the morning to prepare for Stefanie Sun’s concert.

So she thinks that if Fitz suddenly puts aside his own things and rushes back after he wants to develop the conference,

then he has at least a 70% probability that he has fallen to his grandfather.

Moreover, if Fitz rushed back for this incident, and in front of him, said kind words to his grandfather,

and begged for forgiveness for his grandfather, then he would have completely rebelled 100%!

If Fitz really turned against him, Zara not only had to guard him closely, but also couldn’t forgive him.

Because she felt that what grandfather Lord Banks did this time was really inhumane, and almost killed her mother and herself!

In the face of this kind of big right and wrong, the brother said that everything should stand on the side of justice and family affection,

and stand closely on the same front with himself and his mother.

If he stood beside his grandfather in the face of this kind of big right and wrong, it would prove that in his eyes,

the importance of money and status has completely surpassed justice and family affection.

If that is the case, it also proves that my brother has lost the humanity that a normal person should possess.

At the very least, it is no longer in line with the basic requirements of her brother Zara.

So, she put away her manuscript indifferently, and rubbed her cheeks with a cold and even stiff expression.

After trying to make herself look natural, she said, "Brother, come in, the door is unlocked."

Fitz hurriedly pushed in.

As soon as he entered, he immediately locked the door and then looked at Zara.

Seeing that there was nothing unusual in her expression, she smiled and said, "Zara, why did you suddenly want to develop a conference?"

Zara said earnestly: "The people all over the country were paying attention to the safety of my mother and me when such a major incident

happened in the tunnel. I think it is necessary to explain it publicly so that those who care about us can rest assured."

"Oh..." Fitz nodded lightly and smiled: "So that's it! You are right. Since the accident happened to you and your mother,

the people of the whole country have been paying great attention to your comfort!"

"Moreover, there are still many people who spontaneously go out looking for various valuable clues. There are even people who have set up many analysis groups on the Internet.

We work together to analyze the relevant clues of the incident. They are really very enthusiastic!"

"We really need to let them know that you and mom have returned safely!"

"That's right." Zara nodded, and asked pretendingly: "By the way, didn't you go to the stadium to work?

It's just such a thing, it's worth a special trip to come back?"

Fitz smiled and said, "Hurt! I'm also worried about you. I'm afraid that you are too excited to think of these

things when you are preparing for the press conference, so come back and see you."

Zara whispered: "Brother, thank you!"

"Brother and sister, what are you doing so politely."

Fitz patted Zara's head and said, "Oh, yes, what are you going to say about this development conference?"

Zara said casually: "In fact, there is not much to say, I have summarized it, basically three points."

"The first point is definitely to tell everyone that my mother and I have returned safely, so that everyone can rest assured."

"The second point is to tell everyone that we were saved by a mysterious benefactor,

who also gave us high-level medical care. On the one hand, it is an opportunity to thank my benefactor, and on the other hand,

it is to eliminate the curiosity of the majority of netizens. I guess Many people must want to know how we survived such a serious car accident."

"As for the third point, I want to explain my attitude towards this matter. After all, people all over the country know that this matter was done by the Banks Family and even controlled by Grandpa.

I want to talk to him at the press conference. Ask him to apologize and voluntarily go to the police station to surrender.

After all, he is suspected of intentional murder."

As soon as Fitz heard this, he suddenly became nervous and blurted out: "Zara, the first two points are nothing, but the third point, is it a bit more radical?"

"Aggressive?" Zara asked her elder brother back: "He attacked my mother and almost killed our mothers!

I just asked him to apologize and accept legal sanctions. This is considered aggressive? So what is his behavior? Ruthless, inferior to beasts?"

Fitz was embarrassed and said: "Zara, you have to know that he is your grandfather after all, and among so many younger brothers and sisters,

he loves you the most! Look at the name he gave us, which one is not I have placed a lot of his requirements? Only you, he hopes you can be happy, nothing else matters..."

Zara looked at Fitz, deeply disappointed.

At this moment, she could already confirm that her brother was actually standing with the murderer, grandpa.

However, instead of expressing her disappointment, she nodded slightly and said indifferently: "Brother, I admit what you said, but you must be fair and objective when you behave and do things!"

"So, many things must be like sorting things, one is one, one yard is one yard!"

"It's not because he was nice to me before, I can forgive the fact that he wanted to kill my mother!"
