

The Amazing Son In Law (Charlie Wade)

Chapter 2906

After speaking, Charlie said again: "To be more specific, arrange for her to live in the same room with you."

"Really!?" Xion was extremely excited when he heard this!

She originally thought that it would not be so convenient for her mother to meet her with her grandpa. After all, every time she came to see her, she would definitely be in danger of exposure. She was not afraid of anything. She was afraid that if her identity was exposed, she would give Charlie caused trouble.

Now, Charlie plans to arrange her mother to her room directly, which is simply a big surprise for Xion.

Charlie smiled slightly: "Of course I won't lie to you. They should be there in the evening. I will make arrangements at that time, so you can wait with peace of mind."

Xion was very excited, and respectfully said: "Thank you, Master Wade!"

Charlie waved his hand: "You don't need to thank me for such a small matter."

After speaking, he looked at the time and said, "Okay, I won't tell you for now. I will explain to Isaac and Don Albert, so that they can also be prepared."

After that, Charlie stood up and said, "I'm leaving."

“Young Master Wade...” Xion hurriedly stopped him, and asked embarrassingly: “Can you wait a moment, I will register a new WeChat first, and then add you as a friend!”

Charlie nodded, and agreed: “Okay.”

Xion hurriedly turned on the phone, downloaded a WeChat account in the app store, and quickly registered an account.

She gave her new WeChat a name, and then blushed and said to Charlie: “Charlie, let me sweep you...”

Charlie opened his QR code and handed it to Xion.

Xion busy scanned it with his mobile phone, and Charlie received a request to add a friend.

He clicked on this request and found that the account that requested to add himself as a friend turned out to be nicknamed “Nowhere”.

He didn’t understand at first, why Xion had such a name.

But when she thought of her unswervingly saying that she would stay by her side just now, and telling herself not to drive her away, Charlie understood her intention of naming her “Don’t go anywhere”.

“If you want to come, she should be saying, she wants to stay by my side, she won’t go anywhere, right?”

Charlie was moved in his heart, but didn’t ask too much about this question. He directly approved the friend’s request to add, and then said to Xion: “Then I will go first.”

Xion nodded and said hurriedly: “I will take you to the door!”

Xion sent Charlie to the door, and Charlie left.

After talking with Xion this time, he suddenly felt Xion's firmness and softness. These two completely different feelings were able to appear on the same person so naturally and harmoniously, which really surprised him.

Moreover, from the bottom of his heart, he also recognized Xion a little bit more.

There are some dedicated followers around him, but Xion is the strongest among these people.

Although she was still far away from herself, Charlie still had a sense of intimacy towards her that no one else had.

In a sense, Charlie felt that Xion and himself were actually the same kind of people.

Both of them are aliens among ordinary people, and both are running in a different direction from the others.

The only difference was that Charlie ran farther than Xion.
