

The Amazing Son In Law (Charlie Wade)

Chapter 2923-2924

“Okay.” Lord Banks sighed and said, “What I am most worried about right now is not whether she can do a good job in this business. What I am worried about is whether she will sell all the fixed assets of Ocean Shipping Group as soon as she changes hands. ...So many ships, so many port resources, and packaged canal passage rights can be sold for hundreds of billions of dollars, so you must pay attention to any disturbances she makes!”

Fitz’s expression suddenly shrank, and he said hurriedly: “Grandpa, I must keep an eye on her!”

Fitz was extremely upset when he hung up the phone.

“I worked so hard for so long, even after my mother and sister had an accident, I still had to go to please the old man...”

“But what does this old thing give me?”

“Nothing at all!”

“There are no real benefits!”

“He just drew me a flatbread, I don’t know if I have a chance to eat it!”

“However, Zara grabbed the old man’s handle, took the opportunity to make trouble once, and got such a large piece of property. This is too unfair!”

...

At the same time, Charlie and others had already arrived at Heaven Springs.

Since it was a joyous drink, Charlie naturally chose the location here.

It just so happened that some members of the Elms family would be distributed to Don Albert in the future. Charlie simply called both Don Albert and Isaac Cameron over to eat here.

Moreover, he also planned to let Hank and Ziva Hank get to know them by the way.

As long as these two people are there, basically there is nothing wrong with Aurous Hill.

After receiving Charlie's call, Isaac Cameron and Don Albert put aside their business and went straight to Heaven Springs.

At the dinner table, Charlie introduced the two to Hank and Ziva. Although Ziva Hank had met Isaac Cameron before, there were not many intersections. This time, he simply used the dinner to make her familiar with Isaac Cameron and Don Albert.

Ziva was not surprised by Charlie's contacts. She had already realized that Charlie had already built a huge network of contacts in Aurous Hill. It could be said that there are people with faces in Aurous Hill, and there is no one who can't look at his face.

Even, many of them are almost equal to his disciples.

She was a little surprised by Charlie's patience and meticulousness, because few of the top rich second-generation generations she knew could manage a basic plate first in a down-to-earth manner.

Generally, those top rich second-generation generations feel that their debut is the peak, so they like to play high, and it is their most normal operation to continuously deploy many projects in one go.

But Charlie was different from those people.

As the young master of the Wade family, Charlie, instead of playing high in estclif, has worked steadily in a second-tier city like Aurous Hill. On the surface, it seems calm, but in fact, he has already penetrated every part of Aurous Hill. Classes and every inch of land.

This steady and steady approach is the basis for great things. In Charlie's approach, first take root in the city on the edge of the Yangtze River, and then promote business to the coast through ocean transportation. No matter what the economic situation at home and abroad in the future Changes can be able to advance and attack, retreat and defend.

This also gave her full confidence in her career map of joining Charlie.

Because of happiness, everyone except Ziva drank a few more glasses.

Charlie also drank a lot today. The Maotai prepared by Don Albert has a high degree. Charlie deliberately did not use aura to dissolve the alcohol, but instead allowed the alcohol to reach a slightly drunken state in his body.

This slightly drunk feeling made him more happy with the happy mood.

I am happy because he feels that with the presence of Hank and Ziva hank, his father and daughter, his future layout in ocean transportation is absolutely stable!
