

The Amazing Son In Law (Charlie Wade)

Chapter 2925-2926

And when Charlie and everyone were in the Heaven Springs, Zara held a brief press conference for her on the Internet.

The format of the press conference was live broadcast through online media, and the location of Zara's live broadcast was chosen in the antique study in the old house of the thorn family.

Originally, everyone thought that she would definitely condemn Lord Banks in public at the press conference.

But what everyone could not expect was that Zara was very indifferent throughout the whole process, and did not have any aggressiveness.

At the beginning of the press conference, Zara stood up and said to the camera: "Hello everyone, I am Zara. During this time, thanks to everyone's concern, I am holding this press conference to tell everyone who cares about me and cares about me. My mom's friends, my mom Deana and I have returned to a normal family life and our bodies are also very healthy. Please rest assured."

After speaking, she said again: "My mother and I are not public figures, so I want to apologize to the people of the country for taking up so much public resources for myself and my mother."

Afterwards, she briefly introduced her and her mother's experience in the car accident.

In this regard, she did not hide and whitewash too much, that is to say, a savior took her and her mother out of the Forbidden Mountain tunnel, and provided them with professional treatment for the mother and daughter. After the two recovered, Then officially returned to Aurous Hill.

Some people wanted to know the identity of the savior, but Zara claimed to the public that he did not know the true identity of the savior.

In addition, he also promised the savior not to disclose any details about him.

As for someone asking her whether grandpa Lord Banks will be held accountable, Zara's answer is also very ambiguous: "I don't want to respond to this question for the time being."

The majority of netizens also want to see a granddaughter tearing grandpa, after all, with the attention and sympathy of the people across the country as a blessing, Zara can easily push the culprit Lord Banks into the abyss.

It's like the people all over the country use their own support to help Zara build an indestructible gun. As long as Zara pulls the trigger, it will definitely kill Lord Banks.

However, no one thought that Zara held the trigger and finally chose to give up!

Countless people are disappointed, and of course many people can understand Zara.

Sometimes, the palms of the palms and the backs of the hands are full of meat. Since she and her mother are safe, it is better to look at the family's face and reduce the major and minor matters.

Charlie received the news feed while drinking.

After a quick glance, even the news writers expressed deep disappointment.

They said that Zara gave up the opportunity to seek justice for herself and her mother.

Of course, some netizens felt that there must be a conspiracy in all this, and it must be Lord Banks who used some method to force Zara into submission.

However, because Zara himself did not make a clear voice, similar remarks and other opinions are diverse, and no one has the upper hand.

However, Charlie was very clear in his heart.

Zara is a very smart girl, and her personality is extraordinary.

If she voluntarily gave up this opportunity, it was definitely not that she was afraid of Lord Banks.

She must have borrowed this opportunity in exchange for other compensation from Lord Banks.

Isaac , who was sitting next to Charlie, also received this news feed.

With a look of surprise on his face, he handed the phone to Charlie and whispered: "Master, look at this..."

Charlie nodded: "I just saw it."
